Dear Sir,

According to the resolution of 11-7-31 of the Congress Working Committee, Seva Dal will be subsumed in the Congress and shall hereafter be under its full control. In view of the new situation this created by the change and Karnatak Provincial Board has appointed a Committee, for considering the necessary steps to be taken regarding the management of the Acadamy of Physical Culture at Bagilkot. The copy of the resolution has been sent herewith. As the Committee is to submit its report before the 10th inst. the work has to be done through circulation. So, I have written you this letter.

After the acceptance of the resolution of the Working Committee by Seva Dal, all the property of Dal shall have to be handed over to Congress. Consiquently the Acadamy of Physical Culture at Bagilkot too will pass on into the hands of the Congress.

But K.P. Volunteer Board has found this institute, with some perticular object in view, after raising the funds needed only in Karnatak informing the public the same. No outside funds other than those of Karnatak has been utilized. Moreover the object of this Instiuute should be fully realised. Therefore the K.P.U.Board is hesitating to hand over the institute to the Working Committee.

K.P.U.Board desires that the following arrangement should be made as regards this institution.

(a) The object of this institution should be fully accomplished

(b) The Institution should not pass on the hands of anti-nationalists.

(c) Imparting of physical training by and expenses required therein for, this institution should continue uninterruptedly.

(d) Arrangements should be made to keep it safe from the Government repression.

The following course has been suggested by Mr. Divakar Rangarao .

(a) This physical culture institute should be given in charge of Karnatak Provincial Congress Committee.

(b) The K.P.C.C. should be appointed a committee of three members chosen by Karnatak Dal. But this committee should be fully accomplished the object of Vidyapith.

(c) If any mistakes have been found by K.P.C.C. in accomplishing the object of Vidyapith it may appoint another committee.

This is the opinion of Mr. Divakar and Mr. Kabbur Madhvarao. If there are any suggestions to be made by you please post it to Hubli Office.

Note: Please drop a letter as soon as possible informing clearly, your opinion.

Yours affectionately,

Dear Mr. Waman Rao,

I am in need of last year's - 1928 December 1st to present date - accounts with you belonging to the Seva Dal. I shall be glad to have them at an early date. If possible arrange to send them by return of mail.

During the raids on this and other offices under the 9th Ordinance and subsequent occupation by the police and their taking away all our records etc. It seems our 1928-1929 Account Book (from 1st December 1928 to 1st December 1929) has been also taken away. I have got a rough copy of this & I may be able to reconstruct it in about a week. At any rate I couldn't find it. So far as I remember I had myself typed out an updated Statement of that year and sent it to all the members of the All India Board. If you have got a copy of that statement I shall be glad to have it also along with the treasurer statement at the earliest. Kindly treat this a very urgent matter and have the copies here.

Trusting you will excuse for the trouble and do the needful.

Yours faithfully,

From:

Trustee, the Kesari & Mahratta Institute,
POONA 2.

The Secretary to
H.E.H. the Nizam's Government,
Political Departmer
Hyderabad.

Sir,

hereby formally apply to H.E.H. the Nizam's Government for a revocation of the order of the Political Department of the State under nich a ban was put upon the entry of the Kesari newspaper into the Nizam State Territory, you may be perhaps aware that this ban was put some 20 or 25 years ago under circumstance which might have perhaps been then justified, though I had taken steps even then, to make a similar application stating reasons why such an order should not continue. It appears that the banning order was passed by H.E.H. the Nizam's Governm following the example of the British Government which had recommended similar ban upon certain papers including the "Kesari" so far as the aided Libraries and Reading Rooms were concerned. But the distinction between the aided Libraries and others has now practically ceased to operate. And as a matter of fact, all Marathi Libraries in Maharashtra subscribe to the Kesari Newspaper and even Government Offices and Government Officers, in their personal capacities are not expected to subscribe to the Kesari.

There has been no prosecution against the Kesari for the last 22 years for sedition and other offence of exciting antigonism between classes or races in India. Its Editor, namely myself, was a member of the State Legislature at Delhi for about 7 years and I was one of those who received an invitation for the Round Table Conference from the Government of Indi I state these details simply in order to convey to you the information which cannot be otherwise be available to you, that there is really n reason why the old accidental proscription of the Kesari should now continue in the Nizam States' Territory.

Other Newspapers like the "Dnyan Prakash of Poona and the Mahratta which is only a companion paper to the Kesari and owned and conducted by the

His Highness the Nizam's Government. In these circumstances, it is neither fair, nor reasonable that the proscription should continue against the Kesari and that the local Marathi speaking people population of the Nizam State should be deprived of the privilage of reading Kesari, which enjoys perhaps the largest circulation of a vernacular papers in India and deals, as a high class Bi-weekly with matters of Culture, language, literature and School reform in which the Marathi speaking publ in the Nizam State Territory are vitally concerned. The Indore State Government as well as the Gwalior State Government have already removed their banning orders from the Kesari some years ago; and I, therefore, request you that you may be pleased to move His Highness the Nizam's Government to order the removal of their proscription of the Kesari in the State Territory. For this act of fairness and justic the Trustees of the Kesari Institute will always feel grateful.

I beg to remain.

Sir,

Dear Mr. Kargundi,

Your P.C. No. 258 to hand. Yes; Dr. Hardikar had spoken to me about sending an instruction in physical culture but he had also told me that he would not be able to spare any for some time at least till the Rally at Harihar was over. So I have asked Dr. Patwardhan to spare us a man and he is sending us one; hence you need not send any for the present.

My Dear Doctor,

Your letter No. IX 1226 of the 5th instant enclosing the copy the resolutions of the Provincial Volunteer Board to hand. I am sorry you have by appointing me as the Dala Pati of the Karnatic Board have thrown extra burden on my shoulders. You know being far away from the centre of activities and being engrossed with so many local problems I do not feel justified in accepting further responsabilities, Unless I feel I can conscentiously discharge the same. I shall therefore thank you to kindly see me out of it for it will do greater harm to the cause by ominally holding such high and responsible offices.

Yours sincerely,

Hubli, (Karnatak)
28th Feb. '30.

Dear Sir,

You are aware that in pursuance of the Lahore Congress Resolution the Country has already declared on January 26th, its goal as Complete Independence and the Working Committee of the Congress at its recent meeting at Sabarmati has by a resolution authorised Mahatma Gandhi to start Civil Dis-obedience.

The President of the Indian National Congress has now written to all the Provincial Congress Committees and affiliated Organisations requiring them to consider the situation and to be prepared to help in the Campaign. You are also aware that Mahatmaji will be sending his ultimatum to the Viceroy in a day or two adumbrating the objects and methods of Civil Resistance which may take form, in the first instance, as the breaking of the Salt Law.

Dr. Hardiker, as the Secretary General of the Hindustani Seva Dal has promised Mahatmaji to enroll, train and mobalise Volunteers for the ensuing Satyagraha Campaign. In this undertaking he relies upon the members of the All India and Provincial Boards not only to carry on Propaganda in the above said capacity but also to give a suitable quo of Satyagrahis when the time comes, to join the Campaign.

The accompanying Satyagraha pledge form has been prepared in consultation with Pt. Jawaharlal Nehru, the President of the Congress, and the Provincial Boards have already been written to commence enrolling on this form such members and associates of the Dal who are willing to take part in the Campaign.

I urge you to immediately order the requisite Satyagraha Pledge forms either from this Office or from the Office of the Provincial Boards and send back the filled Pledged forms at the end of every fortnight to the office which supplies you the same.

I may here say that unless you all co-operate with this Office and with the Provincial Offices it would go hard for the Seva Dal to give a fitting account of itself. I rely upon you in this matter. Further regularity and promptness, I need not tell you, go a long way in showing that our Organisation is a disciplined one.

Please acknowledge this letter and write to me immediately.

Yours sincerely,

My Dear Doctor,

All your letters to hand. I am sorry I could not reply them being busy with something or other. I was glad to read the resolution of the Working Committee regarding the Seva Dal. I must congratulate you on the success you have acheived in taking possession of the whole of India and in advancing the position of Karnatak. You need not ask me for an assurance for the support in the A.I.C.C. It is always the and you can depend upon it. I think you should not call the Volunteer Board Meeting on the 3rd Aug. but you should have the same on the 6th or the 7th so that we may not have to waste our between the 3rd and the 6th. I shall be there on the 5th or 6th the latest.

My Dear Doctor,

As desired by you, I shall try to come there but I do not know what to say of the difficulties here. We have called the Educational Conference on the 5th & 6th March with Dr. Tripathi to preside over the same; I was told last evening that the Executive Council has passed orders that the Conference could be held only with a local person to preside over and not an out-sider. Having invited Dr. Tripathi, we are in a fix. Any how I shall try to leave tomorrow ~~my~~ by mail and come there tomorrow night by 10 P.M. If that is not possible I shall start tomorrow night and arrive there on Sunday morning by 9 A.M. Any how I shall try my best to come over there but let me tell you I shall not be of much use to you, owing to the peculiar circumstances here. I will have to leave on Sunday evening by 5-30 P.M. train as I have an engagement at Barsi on Monday at 2 P.M. Rest in person.

Ref.No.

Dear Brother,

The resolution of the Congress Working Committee passed on the 11th instant regarding the Hindustani Seva Dal has already been sent to you.

In that resolution you will find that the Dal has been asked at the beginning to enrol and train officers and instructors etc. in Karnatak. The recruiting ground for the officers of the Congress Volunteer Corps all over the country as per resolution of the Working Committee is Karnatak.

I trust that you will welcome the resolution as one which accords the recognition which after eight years of work the Hindustani Seva Dal deserved from the Congress. Simultaneously in recognition of Karnatak's part in helping to build up the Hindustani Seva Dal into an all India Volunteer Organisation, the Working Committee has given Karnatak the first preference to build up the Hindustani Seva Dal under the Congress directly. It is both an honour and further expectation of greater support to the Congress Volunteer Organisation from Karnatak.

It is very likely that the Working Committee's resolution after its being ratified by the All India Volunteer Board of the Dal on the 3rd August will come up before the All India Congress Committee for its acceptance.

In that case, I shall be glad to have an assurance from you of further and whole hearted support in building up the Congress Volunteer Organisation into which the Dal will be transformed both by letter now, as well as by your support to any resolution that comes up in the A.I.C.C. in this behalf.

It is with the help of friends like you that I have been able to advance the cause of the Dal so far. And in future also I fully rely upon your help.

Hoping to have a line from you in reply, I am,

Yours sincerely,

Bulusu Sambamurthy Esq.,
President, Hindustani Seva Dal.

Dear Friend,

We have viewed with concern the arrangement arrived at between the Congress Working Committee and the Hindustani Seva Dal. The arrangement is, on the whole, satisfactory, but we in Bengal feel called upon to draw your attention to the following considerations with regard to Bengal and pray that you be good enough to discuss them at the forthcoming meeting of the All India Volunteer Board and take such action as would promote the real volunteer movement in Bengal.

In Bengal, there is no proper provincial volunteer organisation. For long, the youths felt the extreme necessity of such an organisation So, this year, both in Bombay and Karachi we discussed with Dr. Hardiker the proposal of starting the Provincial branch of the Hindustani Seva Dal in Bengal. Dr. Hardiker informed us that Sjt. Pratul Ganguly (and subsequently Sjt. Nalini Ghose of Dacca) has been entrusted with the charge of establishing the provincial branch of the Dal in Bengal. were instructed to work in co-operation with Sjt. Nalini Ghose.

We returned to Calcutta with that instruction and Sjt.Sachindra nath Mitra, the undersigned, met Sjt. Ghose at Chandpur where he had a thorough discussion with him. It was agreed that attempts should be immediately made to establish the provincial branch. As Sjt. Ghose was extremely busy with Congress affairs, he delegated his powers to Sjt. Mitra to act on his behalf.

All the districts were next consulted and they were all unanimous on this point. A golden opportunity presented itself which was immediately utilised. All the districts were holding various conferences and in that connection were raising volunteer corps. The task would have been the easiest, if all the corps were centralised into one provincial organisation. Accordingly an appeal was issued to that effect my many important workers of different districts of Bengal. There was a heartening response to this

or the Dal. It was further decided that a provincial volunteers' conferance be called where the Bengal branch of the Dal would be founded.

Miss Shanti Das and S.jt. Nalini Ghose (in place of Pratul Ganguli) the two members of the All India Volunteer Board from Bengal supported this proposal and the procedure adopted and several informal conferences were held at Calcutta which led the formation of a provincial Reception Committee, with Sjt. Sachindranath Mitra as the organising secretary. Almost all the persons interested in the volunteer movement, were consulted irrespective of any party-level and to avoid any kind of party question. they were included in various committees. Prominent persons like Sir. P.C. Ray and Sjt. Ramananda Chatterjee showed great interest in the movement and everything was progressing very smoothly.

The constitution was drawn up and circulated for eliciting public opinion and publicity was also give to a sheme of military training school. These announcements created much confidence in the minds of the public and promises of pecuniary help were forthcoming from various quarters.

All this time Pandit Jawaharlal Nehru was also kept informed of all our activities and he was helping with frequent suggestions and timely proposal perhaps because of its remaining extremely busy with their own affairs. We, on the other hand, were not too much anxious for this help of any exclusive group - whether the B.P.C.C. or the anti-B.P.C.C. group - as in opinion to invite either of these would have a amounted inviting the division and the split in the volunteer organisation itself. Later on, however, Miss Shanti Das approached the B.P.C.C. for its help although the other group has never been likewise approached.

The arrangement arrived at, has necessarily debarred us from taking any further move in this matter and has shoved the whole charge to the shoulder of the B.P.C.C. We beg to point out that this arrangement, under the present circumstances, is sure to defeat the very purpose of the volunteer organisation. Instead of offering a common platform where all

irrespective of any party-label, it will give rise to greater misunderstandings, mutual suspicision and party-jealousies. The Bengal Provincial Congress Committee does no longer command that public confidence and enjoy that respect which it used to a few years ago. Internal dissensions have made it totally inefficient to undertake any constructive programme. And what is most alarming is that it might call forth a second and a rival organisation. When B.P.C.C. will regain its former glory and all the causes of internal dissension are got rid of, B.P.C.C. might possibly take charge of the organisation.

But it is necessary that we are given permission to proceed with the work and we may suggest that when the proper time will arrive, the present organisation might be taken charge of my the Provincial Congress Committee.

With all politeness, we draw your attention to the above considerations and hope that you will let the undersigned know your opinion about it of the same at the earliest convenience.

Yours promptly,

I am,

CAMP Bombay, 5th May 1931.

Dear Brother,

Since the formation of the Provincail Women's Committee of the Dal for Bombay, as per the resolution of the All India Board at Karachi, I am confronted with some technical as well as practical difficulties in the way of this Women's committee working.

Some of the members of the Bombay Provincial Dal Board want that the Women's Committee should be directly under their Board and are not willing for its working under the guidance of the Women's Central Committee comprising the women members of the All India Board. There was a meeting of the Bombay Women's Committee yesterday at Mrs. Sarojini Naidu's residence, when certain decisions were arrived at; and accordingly I wanted to issue the attached matter to the Press. But later I thought that I should have your views on this question with special reference to the probable attitude of both the Provincial Dal Board and the Women's Committee in your province.

Please communicate your recommendations at an early date to my Hubli address. I am,

The Secretary General of the Hindustani Seva Dal has issued the following instructions to the Provincial Women's branches as well as the Provincial Boards of the Hindustani Seva Dal through-out the country.

1. As per resolutions of the Dal's Conference and the All India Volunteer Board of the Hindustani Seva Dal at Karachi, Provincial Women's Committees will now be formed everywhere to carry on the work of the Dal and the Congress in the various provinces. These committees are directly responsible to the Women's Central Committee of the All India Board under whose direct guidance the committees are to work. The Provincial Dal Boards, therefore, will have nothing to do with their activities. The Dal being the Congress Auxiliary Force, both these organisations will have to take orders, regarding Congress activities, from the concerned Provincial Congress Committees independently.

In order to ensure perfect harmonious relations between the two wings of the Seva Dal working in the same province:

(a) they should hold, from time to time, joint meetings and joint consultations and keep in touch with each other in all their activities,

(b) they (The two organisations) should appoint a joint committee to raise the necessary funds for carrying on the local activities of these Dals and should allot grants according to the requirements of each organisation.

2. Volunteers of the Seva Dal and Sevika Dal should not belong to any other active volunteer organisation. If any one is at present a member of any other active volunteer organisation, he or she should immediately resign his or her membership from the other organisation; otherwise they will have to resign their membership from the Seva Dal organisation.

Dear Brother,

Immediately before the Karachi Conference of the Dal I wrote to you asking for certain details for compiling the report of the work of the Dal during 1930-31.

I wanted the following information:-

1. Annual Report giving

   (a) Number and regular list of members and associates,
   (b) Office bearers - Original and substitute - who have been convicted. Please give their names.
   (c) Activities conducted,
   (d) Number arrested,
   (e) Number convicted:- i. Law breaking
   ii. Otherwise

2. Statement of Accounts; at least a trial statement if the final and audited statement is not ready.

3. Offices, buildings etc., occupied under the IX Ordinance if any and where.

4. Confiscation or auction sale of any property moveable and immoveable.

Unfortunately as the time at our disposal was very short I could not get sufficient number of reports to compile a report worth the name. Eight or nine provinces responded and I could get only summary which is neither comprehensive nor yet complete. A digest of this is published in the copy of the Dal's bulletin sent to you herewith.

But the All India Volunteer Board wanted more comprehensive report to be prepared as early as possible and to get it published some time in June. With that object in view, I have written to most of the people who have so far not responded to send in their reports and to some extent I have been successful in getting replies. But these are not yet satisfactory, nor do they give precise information; and before printing a fresh report, I cannot help but have both definite as well as correct information.

I am therefore writing to you again and requesting you to send me within the next fortnight all information you can get on the above subjects. Kindly allow me once again to say that the information now supplied must be correct, definite and authenticated.

Unless you all help me promptly with the information it will be impossible to bring out the report in time for the next meeting of the All India Volunteer Board. Kindly expedite and oblige.

I am told that Mr. Kowjalgi S.V. is sick. Therefore it will be impossible for him to go to Hyderabad. In his absence I am sure you will do the best you can to get some money. I need not write to you about the urgency.

You know that we have to maintain the Officers' Training Camp here. It will cost us not less than Rs. 2500/-. I have to appeal to all the members of the All India Board to send their quota of Rs. 100/- immediately, so that I may be able to meet the expenditure here. You will of course, send your quota.

I am going to stay here until the 10th or 12th of May and will attend the camp for about a week. When you leave Hyderabad please let me know. My regards to all. I am,

Dear Brother,

I am enclosing herewith a copy of the resolution which Pandit Jawaharlal Nehru has sent me to clear the relationship between the Hindustani Seva Dal and the Congress as these are often misunderstood or rather misinterpreted at various places with consequent handicap to progress of work.

I may here draw your attention to the resolution of the Cocanada Congress in this connection as well as to one accepting the same by the All India Volunteers' Conference both of which are quoted on pages 4 and 5 in the copy of the constitution of the Dal attach herewith.

It has recently come to my notice that in certain provinces, at least in certain pleaces, the work is being hampered simply on the plea that this relationship is not clearly defined. The present resolution seat in by Pandit Jawaharlal Nehru is just to clarify the Dal's position in relation to Congress.

As this is only a re-statement of the relationship which already exists between the Congress and the Dal, I trust you will give your vote in favour of the above resolution which is more or less a formal one and enable me to relase it for the press at an early date.

Thanking you in anticipation of an early reply,

In view of the fact that enquiries are often made about the relationship of the Hindustani Seva Dal to the National Congress, this Board desires it to be known that the Seva Dal is an Organisation of Volunteers auxiliary to the Congress and subject to the policy and programme of the Congress. In regard to internal management and administration, however, the Dal retains complete freedom, as was laid down in the Congress resolution at Cocanada.

April 18th 1931. PANDIT JAWAHARLAL NEHRU

The Cocanada Congress resolution referred to above reads as follows:-

"This Congress is of opinion that in order to train the people of India and make them effective instruments for the carrying out of the National work on the lines laid down by the Congress, it is necessary to have a trained and disciplined body of workers. This Congress, therefore, welcomes the movement for the formation of an All India Volunteer Organisation and calls on the Working Committee to take all necessary steps to form such a body of trained workers in co-operation with the Organisers of the Movement and keep control and supervision over it while giving it freedom of internal management and administration".

The All India Volunteer Conference at Cocanada passed the following resolution. This resolution is quoted on pages 4 and 5 of the constitution.

I am enclosing herewith a copy of the resolution regarding membership fees sent to me by Pandit Jawaharlal Nehru for circulation amongst the members of the All India Volunteer Board of the Hindustani Seva Dal for favour of their vote on the same.

The idea underlying the resolution is to make the Organisation really a mass one. It is needless to impress upon you the fact that in rural areas even 4 annas are often times really a burden and under the present depression in the country I urge you to seriously consider this question and to give your vote on the resolution in question without delay.

(a) In view of the economic distress in rural areas, the All India Volunteer Board of the Hindustani Seva Dal permits its Provincial Boards to remit the membership fees of village volunteers provided that such volunteers are members of the Congress. The Provincial Board may remit such fees in a particular area or in the whole province, provided that such remission shall only be applicable to rural areas and the volunteers fulfil the other conditions of membership.

(b) This Board further authorises the Secretary General to incorporate as per (Art. ALL INDIA VOLUNTEER'S CONFERENCE

The recent Satyagraha Campaign and other connected activities have accelerated the awakening of the youth of the country and given birth to Volunteer Organisations of various types throughout India. Every province, every district, and even every Tahashil (Taluka) has its own volunteer corps.

No doubt, all these bodies have been working under the auspices of the respective Congress Organisations and their work is undoubtedly commendable; yet much more is to be done in the form of co-ordinated and organised work. With a view to consider ways and means of bringing about such co-ordination and to make the working of such bodies more effective and disci ed, many of the All-India leaders in the country have come to the conclusion that representatives of such volunteer organisations should meet in a Conference at the time of the ensuing Session of the Indian National Congress at Karachi during the last week of March. Some of the All-India leaders and members of the Congress Working Committee and above all Pandit Jawaharlal Nehru have promised their help in bringing about better solidarity amongst these organisations and to further guide their activities along the lines of the progra of the Working Committee, from time to time.

It has been decided to hold this conference under the auspices of the Hindustani Seva Dal.

Each Volunteer Organisation having not less than 100 membe shall have the right to send up 3 delegates. The names of delegates should be sent to Dr. N.S.Hardiker, Hubli (Karnataka) to reach him before the 18th March 1931. After that date the same should be sent to Dr. Hardiker. Care Congress Camp, Karachi, to reach him before the 22nd of March 1931.

Each such organisation should send in the following information along with the names of delegates:-

1. The date of the formation of the Organisation.
2. The number of present members.
3. The kind of work it is doing.
4. The number it has sent to jail in the present campaign.
5. At least two copies of its constitution.
6. The names of its present office bearers.

As the time at our disposal is very short, there should be no delay in sending over the above information and names.

The publication of this circular should be considered sufficient invitation for all to join wholeheartedly and to help and make the conference a success.

Dear Brother,

e Seventh annual Conference of the Hindustani Seva Dal was held at Karachi on the 31st of March 1931, under the Presidentship of Sjt. B. Sambamurti of Andhra, and there you wer elected a member on the All India Volunteer Board of the Dal for this year. Copies of the resolutions passed at the Conference will be sent to you as sooh as they are printed. Now, I am sendin to you a copy of the resolutions passed by the new All India Board which met on the 1st of April 1931 at Karachi.

I have especially to drav your attention to Resolutions No. 4, 8, 9, 10 and 15 in the proceedings.

The Budget that has been expected as per Resolution No. though a heavy one in comparison to those of previous years, has been thought quite necessary in anticipation of the work that we will have to do in the various provinces and therefore, in order to minimise the strain of collection on the office-bearers, it was thought expedient to ask every All India Board member to collect at least Rs. 100/- and send it over to this office within two months I hope you will not only try to collect the One hundred rupees as requested by the Resolution, but also in pursuance with the spirit of the resolution do your utmost to help us materially in carrying out the programme.

Resolution No. 8 refers to the publication of a bulletin in English. While sending out copies of the same we will be requesting the Provincial Congress Committees to give facilities to our provincial Dal Boards for translating and publishing the same in vernacular. I trust you will kindly see that these facilities will be accorded and that the propaganda of the Dal spreads in your province.

T e next Resolution No. 9 gives the programme of the All India National Falg Day to be celebrated on the 26th April, 1931, announcement of the same is being made in the papers, and circulars have already been sent to our various Boards and to organisers. The All India Board desires that this Falg Day should be observed in every nook and corner of the country, you should also see that full co-operation in carrying out this Day's programme is secured from the Provincial as well as local Congress Organisations. It is better if you can induce your Provincial Congress Committees to issue circulars on their behalf urging their subordinate organisations to co-operate and to render every help to the Dal members in their areas. A report of the Day's functions in the Province should be also promptly sent to the Dal Headquarters so that it may be convenient to prepare a full report of its celebrations throughout the country for purpose of publication.

Resolution No. 10 calls upon the Provincial Dal Boards to organise at least one Dasta of permanent band of volunteers for each province in consultation with the provincial Congress Committees. The work that has to be carried out by that Dasta of trained volunteers is drafted out in the latter part of the Resolution. Unless we maintain such a band, it is very hard to have systematic work, and sometimes it is very hard to do any work at all in many of the provinces during normal times. Naturally, we will have to spend some money on their maintenance and activities, and the members of the provincial Board as well as our friends on the All India Board of the Dal will have to find the funds for meeting out their up-keep.

It is our duty to see that the enthusiasm in the country does not subside. Workers' energy should be guided in the right channel in keeping with the programme of the Congress and we shoul at the same time make preparations for another struggle which may come in the near future.

I should therefore urge you to see that the Seva Dal gets sufficient help and co-operation, and help to carry out its programme. Please acknowledge this letter and send an early reply.

To

The President, D.C.C.

Sir,

I have the honour to request you that you should select from trained volunteers in your district, at least two intelligent and promising men with organising capacity and send them for instructor's training camp. You should take a binding from them that they shall serve the district for at least three years during which period you should maintain them and give the work of training sainiks as per instructions from the Karnatak Seva Dal.

It should be noted clearly that they are instructors and not commanders of units of volunteers.

The conditions for instructors are:-

(1) He should have knowledge of English at least upto Matriculation standard.

(2) He should be a certified sainik

(3) He should give a binding to serve the district for at least three years in which case the D.C.C. should maintain him.

As to expenses they will be as follows:-

(1) Feeding and clothing during the period of training will cost about Rs. 40/- per head.

(2) Maintaining an instructor for one month would mean Rs. 20/- at least, clothing included.

(3) Travelling charges as well as his charges when he is actually training may be borne by the respective camps.

Training two such instructors at least and maintaining them ought not to be taken as a burden if we compare the work turned out by them.

In case the province requires the instructors so trained it may take them up with your consent with the burden of maintaining them during the term that they serve under the province direct.

This proposal if accepted will save you money, time, as well as assure you of getting instructors who have your confidence.

Kindly let me know first if you such men in view and if you are willing to accept the proposal. If so kindly let me know at once the names you propose, so that I can make arrangements for their training.

Yours sincerely,

Dear Naik Saheb,

Bhaskar has already intimated you about the shawl, you had left in our tent. It will be sent to you tommorrow from Bombay by regd. parcel. Besides that two umbrellas also were forgotten. I am taking them along with me to Hubli. When I come to Hyderabad again I will bring them. I have paid one coal-bill for you. It was for 3/8/0 only. There was one envelope. It has been redirected to Hyderabad.

You had given 30/- for 3 A.I.C.C. tickets. One for myself, one for H. Krishnarao and the third for Mr. Ranga Iyengar. Besides, I do not know who gave Rs. 5/- for my delegation fee. If you have paid it, then we owe you Rs. 35/- in all. Out of these I owe you personally Rs. 15/- and Rs. 20/- are to come from there two friends. Bhasker has ~~m~~ed Rs. 10/- from Hoskoppa. I will write to K.R.I. and will try to get that amount. For so far as I am concerned I have no money. One of you then, will pay the Rs. 15/-. As soon as I receive Ranga Iyengar's amount I will send you the balance.

realised

The amount of Rs. 50/- you gave me was personal. The Dal has nothing to do with it.

I have not seen the statement of accounts you sent to Hubli. I want to know from you as to whether you were able to realise any amount for the Dal after I left Hyderabad. If so, how much? If not will you try for my sake? You know that I have no money to even go out and tour the country. I wish, however, you will try there. If necessary I will send you some receipt books as soon as I hear from you.

Please sign the accompanying membership form and send it to the office. I am sending two books of 20 forms each. I would like to get 40 Associates at least paying one rupee each from Hyderabad and Seemcundrabad. 40 is not a very large number. I hope the Karnatak people may be tested in this case.

Will you be free on the 26th to go to a neighbouring city in the British territory to hoist the Flag and preside over a meeting? Please let me know. Pandit Jawaharlal Nehru has asked me to popularise that day.

I want to go out for propaganda. I mean to visit Madras by the end of this month. I desire to be there on the 26th and then visit the other parts of Tamilnadu. Will you come and join me in this trip? It won't take out 10 days. We shall run as far as Rameshwaram. Please let me know.

I am sorry I could not be of much use to you at Lahore. I could have been of much use if I had the time at my disposal. But I couldn't help. I hope you will excuse me.

Please arrange about Bapurao Shevade. If necessary I will send him to you again. Let me know what to do.

My regards to Dr. Pathan, Aasaheb and others.

Dear Brother,

I have to draw your attention to the accompanying suggestions made by the last meeting of the All India Volunteer Board in connection with the uniforms for its members.

I am giving below the suggestions that have been made on the same by the members of the All India Volunteer Board which are as follows:-

Member's Name	Suggestions
1. Pt. Jawaharlal Nehru:	There should be knee breeches as described. Shorts may be worn on informal occasions. I do not know what is meant by "dress-shirts". Ordinarily this means stiff starched shirts for evening wear. These of course are out of question. For the rest I agree with the suggestions made.
2. Mr. V.V. Subnedar:	I am in favour of navy-blue colour, military, hunting type officer's uniform coat, full-pant, shirts, stockings, full boot or shoe, white cap - all of double khadi or light wool thread of hand-spun hand-woven khadi .... the measurements be called for and uniforms be prepared by good tailors at one place.
3. Mr. Shri Prakash	I shall be glad to get myself a uniform that you may suggest.
4. Mr. P.C.Gangoli	The Uniforms that we have here are of Khaki colour. But you are in favour of white khaddar. Firstly it does not give a good show; Secondly it will get dirty-at least look dirty after only a few days use, so change of dress will be necessary after short intervals.
5. Mr. G.V.Hari Sarvottamrao	I vote for ordinary half-pants not knee breeches.
6. Mr. V.R.Naik	Desire to have a full military type of uniform of pure Khaddar.
7. Dr. N.S.Hardiker	Ready to obey the majority.

Other members have not replied in this connection.

As there is no time to get the suggestions of all members, if we are to have uniforms before the Lahore Conference of the Dal, I am intending to take a final decision on this question in consultation with Pt. Jawaharlal Nehru whom I am meeting shortly and will send out the circulars giving full details of the uniform.

I urge that you get the same stitched at your convenience and attend the Lahore Conference in it.

Trusting that you will do the needful, I am,

Yours sincerely,

Dear Sir,

Thanking you for your acceptanace the other day at Hubli, to be on the Exhibition Committee I beg to appeal to you for funds. As said the other day, at Hubli, I require not than Rs. 50/- for conducting correspondence and expenses on stationery. The District Boards of Tumkur, Shimoga, Hassan and Kolar have tabled resolutions to grant a sum of Rs. 500/- for exhibition but it cannot be said how far they will be successful against Governments opposition. It is the object of the conveners of this Exhibition to make it representative of the Congress Karnatak and make the Exhibition as unique as possible.

I feel grateful if you can kindly recommend me the names of those prominent people in place who can help us this way and to get donations from District Boards and Co-operative Societies.

With kind regards to self and Dr. Pathak,

Eleventh Monthly Falg Salutation
of the
Hindustani Seva Dal.

at 8 A.M. on Sunday, November 24, 1929.

The General Secretary of the Hindustani Seva Dal has issued the following circular in connection with the ensuing monthly Flag Salutation:-

"Apropos the recent debate and the replies of the Secretary of State for India on the announcement of the Vice-roy regarding the question of constitutional reforms for India, it is very evident, taht the hands of the leaders of India's masses should be strengthened in their endeavour to solve the problem of Indian Swaraj, either through the means of a Round Table Conference as suggested in the Vice-regal announcement or otherwise.

"The well-known, trite saying that "Union is Strength" was never so necessary of being put into action as at the present moment. And how best can we show our unity except by coming under one Flag The Indian National Tri-colour with the Charka on it and saluting it at every place in India with vast demonstrations.

"We, therefore, trust that the ensuing eleventh monthly Flag Salutation of the Dal at 8 A.M. on Sunday, the 24th, 1929 will prove a doubly successful Flag Day and reports of the same be promptly sent to the Dal Headquarters."

Dear Mr. Vamanrao,

I received your wire on the 6th and immediately I wrote a letter and sent it to you with a friend. I had been yesterday to Sectanagaram and after taking Eucre, Guntur, Tenalli and Mussulipattam I will have Bezwada on the 12th night. I reach Begumpet on the 13th by mail in the morning. I am sorry for detaining myself one day here but I could not help. So, I hope you will kindly excuse me. I am coming to you for two definite reasons. One to collect some funds for the Dal and the second to make definite arrangements regarding the future of the Academy and the Dal. While there carrying on the collection work I desire to meet workers and youngsters so that I may explain them the objects of the Hindustani Seva Dal and will try to enlist their sympathy. For all this I depend on your co operation and support. I have therefore the entire programme in your hands. I shall stay there for exactly four days. I can not afford to stay more than that. I proceed then to Sholapur for collection work. More when we meet.

Sixth Monthly Flag Salutation Programme

of the

Hindustani Seva Dal

at 8 A.M. on Sunday June 30, 1929

We hope the people of India have not yet forgotten the insult offered to the Indian National Flag by the London Police.

Do we not feel our dependence yet? Should we not try sincerely to shake off our lethargy and throw ourselves heart and soul in the Nation's struggle for freedom? When shall India and her people awake and show their strength to the world so that no one on the surface of the earth may dare to insult her manhood again.

The National Flag ought to be hoisted in every village of India at least every month and should be honoured by all. The Hindustani Seva Dal is trying to see that India's Tri-colour with Charakha on goes to the nooks and corners of Hindustan.

As per resolution of the Hindustani Seva Dal, our Flag is now being hoisted, on the last Sunday of every month and the number of places is gradually swelling. On May 26, it was hoisted in 111 places as compared to 105 in April.

The figure for May according to provinces are as follows:-

(1) Karnatak 23 (2) U.P. 21 (3) Behar 16 (4) C.P.-Hindi 10
(5) Andhra 8 (6) Maharastra 8 (7) Punjab 7 (8) Tamil-Nadu 6
(9) Bengal 4 (10) Bombay 4 (11) Behar 3 (12) Delhi 1.

Behar and some other provinces have not yet sent us reports. Otherwise, the figure would have this time gone up.

We hope that all fighters for India's freedom will spare no pains to make this function a popular one and will soon bring the number of places hoisting the Flag to at least one thousand.

We urge all, to be more prompt in sending their reports to us so that we may give a fuller and complete report before the 15th of every month.

The ensuing Flag hoisting day falls due on Sunday the 30th of June, 1929, at 8 a.m. precise.

LET THIS NOT BE FORGOTTEN.

HINDUSTANI SEVA DAL

Ref.No. VII/61

HUBLI (Karnatak)
January 9/18 / 1929

Dear Brother,

I am herewith sending you a copy of the resolutions passed by the Hindustani Seva Dal Conference at Calcutta on December 30, 1928.

I have great pleasure in drawing your attention to resolution No. 9 electing you to the All India Volunteer Board of the Dal for 1929. In this connection, the constitution of the Dal requires all members of the Dal Boards to become either members or associates of the Dal, and hence I am sending you the accompanying form for favour of your signature and return to this office along with a fee of Rupee one for associateship at your earliest conveneince.

I am sanguine about your keen interest in promoting the activities of the Dal and trust that you will during the course of the year help the Dal to take rapid strides throughout the country. I would particularly draw your attention to the Conference resolutions Nos. 4 - especially the latter part - and 6 regarding the Academy and the Flag Salutation programme. The Academy at Bagalkot is functioning regularly and you are urged to see that at least two candidates from your Province take advantage of it with a view to organise your Province after their return on completion of their training at the Academy. The import of the Resolution on the Flag Salutation programme is quite obvious and upon the success of our observing it with exactitude depends in a large measure the beginning of a sense of a unitary organisation commanding discipline and obedience in various localities throughout the country.

I therefore, urge you to see that the above two resolutions are taken action upon immediately.

Printed copies of the constitution of the Dal as amended at Calcutta will be sent to you as soon as possible.

Fifth Monthly Flag Salutation Programme

of the Hindustani Seva Dal

at 8 A.M. on Sunday, May 26, 1929.

.....

From the reports that are to hand till todate from the various Provinces, we find that 105 places have observed the fourth Flag Salutation function on April 28, 1929. The first one was observed at 50 places, the second one at 62 places and the third one at 73 places as reported by us in our last circular. But these figures are not correct. The places which observe these functions do not send their reports to either their provincial or the All India Office of the Dal in time. Hence the difficulty in reporting.

The places which observed the fourth function are according to provinces:-

1. Behar	44	2. Karnatak	22	3. U.P.	14
4. C.P.Hindi	6	5. Maharastra	4	6. Bengal	3
7. Bombay	3	8. Andhra	2	9. Berar	1
10. Assam	1	11. C.P. Marathi	1	12. Gujarath	1
13. Punjab	1	14. Tamil Nadu	1		

We are sure that many more places in C.P., C.P.Hindi the Punjab, Maharastra, Behar, Karnatak etc. have observed the last function. But as we have no reports till todate except from the above number of places we have not taken them into account.

We may here mention that we have sent national Flags and Khaddar caps to the various bodies outside India which are affiliated to the Indian National Congress; and also requested them to carry out the function regularly. Some of our friends in the United States of America have appreciated the idea. We hope to be able to give reports of the functions carried out in foreign countries also in our ensuing circulars in this connection.

We once again urge all members and branches of the Hindustani Seva Dal, the Youth Leagues and the Congress to carry out the ensuing function which falls due at 8 A.M. on Sunday the 26th May, 1929 and to send a prompt report to this office.

The following suggestions regarding the Trust that is to be formed for the Academy of Physical Culture at Bagalkote have been received from Sjt. Hari Sarvottamrao:-

1. The Trustee hasll not be the Congress any branch of it. It shall not also be the Hindustani Seva Dal or any branch of it. In all constructive work we are the laborers and the country is the proprietor in my opinion. The trust may be created in the name of three prindipal donors
2. While the Trustees are different the Management shall vest in the Hindustani Seva Dal which shall have full freedom to operate through a Committee of five of whom one shall be a representative of the Trustees.
3. The Trust deed shall enunciate definately that if for any reason the Management goes out of the hands of the Hindustani Seva Dal the Trustees shall be at liberty to form a Pancha for Management of representatives of Institutions already affiliated to the Academy or of Institutions which have objects similar to those of the Academy.
4. The objects for which the Trust is created may be defined in the deed as follows:-
   (a) To establish gymnasia drill grounds, Akhadas and such other Institutions as will help to give physical training to the people of the country more especially its youths.
   (b) To organise camps and training centres all over the country with a view to prepare instructors and propagandist for carrying out the first object.
   (c) To develop and foster the spirit of loving service and for all humanity more especially for purposes of the well-being of the Mother Land.
   (d) To improve the moral and spiritual tone of the Nation by properly planned training and camp life.
   (e) To do all such other work as will help to render the Nation fit to grow into its full stature and manhood.

KARNATAK PROVINCIAL VOLUNTEER BOARD
OF THE
HINDUSTANI SEVA DAL
HUBLI.

THE PROCEEDINGS OF THE MEETING OF THE WORKERS OF THE KARNATK BRANCH OF THE H.S.DAL WHICH WAS HELD AT THE DAL OFFICE, HUBLI ON THE 6TH APRIL, 1929.

.....

The Council of the K.P.C.C. at its meeting held at Gadag on 10.2.1929 accepted the proposals of Hoskoppa Krishnarao and N.S.Hardiker for enrolling one Lakh Congress members during the current year (which proposal was originally submitted to the Council meeting at Bagalko on 27.1.1929 when there was no quorum) passed a resolution to the following effect:-

1) That the Karnatak Dal should conduct the one Lakh membership Campaign

2) That 25% of the membership fees should be given to the Karnatak Dal etc.

Then the K.P.V.B. which met at the same place and on the same day after the meeting of the Council, passed a resolution to the effect that the Dal should accordingly conduct the one Lakh membership Campaign. But the meeting of the General body of the K.P.C.C. held at Dharwar on the 31st April, 1929 revoked the resolution of its own Council regarding the One lakh membership Campaign and called upon the D.C.C's to enrol Congress members and reorganise Congress Committees in their Districts before the 1st of June in co-operation with the Karnatak Dal and if this work shall have been neglected by them the Karnatak Dal should take up the work from May 1, 1929.

On close observation it will be found that the resolution is incoherent in as much as the latter part of it implies that the Dal will have no hand in the enrolment work till the 1st of May although the former part of its desires the co-operation of the Dal. The Secretary of the K.P.V.B. who happens to be a member of the K.P.C.C. attended the meeting and followed the discussions closely and found that several members of the K.P.C.C. were not in favour of allowing the Dal much scope in the enrolment work, because they were not willing to give the Dal 25% of the membership fees apportioned by the Council for enrolment work; though this amount would barely suffice for the travelling expenses of the Dal Workers who have to go from place to place to enrol Congress members

So by the above resolution of the K.P.C.C. the K.P.V.B.'s resolve to enrol one lakh congress members during the year becomes automatically annulled and the Karnatak Dal has before it no immediate special programme connected with the Congress till the 1st of May. The said resolution of the K.P.C.C. is also vague in that it does not lay down who is to decide whether the work is carried out till the 1st of May by the Congress Committees, while the Dal is authorised to being work on May 1, with the above provisos. From what little experience we have of some of the Congress Committees in the Province we are led to believe that even after the 1st of May it is very uncertain as to whether the Dal will be called upon to work the membership enrolment in the Districts.

In order to consider the situation that has arisen from the foregoing developments and view of the fact that much of the work of the Dal proper remains yet to be done, an emergent meeting of the workers and organisers of Karnatak Dal was held at the Hubli office at 9-30 p.m. on 6th April 1929.

Ninth Monthly Flag Salutation Programme

of the

HINDUSTANI SEVA DAL

.....

at 8 A.M. on Sunday 29, 1929.

....

Since the Calcutta Conference, eight monthly Flag Salutation Programmes have taken place. During this period, we have made an advance in increasing the number of places where monthly Flag Salutation take place, from 50 in the 1st month to 200 in the last. We are confident that there must be a good number of places besides these which are carrying out this programme regularly but from which reports to the Provincial or the All India Board to enable up to keep regular record.

At the request of the Dal, the Head-Quarters of the All India Spinners Association has instructed its Provincial branches to keep ready for sale at their Khaddar Stalls, tri-coloured National Flags of Khaddar of a convenient size for hoisting. We trust that this facility will be availed of by those who require Flags.

We again appeal to all patriotic Indians to help us in making the Flag more popular and in enlisting wider and greater loyalty to it, by taking part in the above function.

A CURSORY REVIEW
of the work
of the Karnatak Dal and its predecessor

Introduction:

It is with great pleasure that we recapitulate the short history of the Karnatak Dal and its predecessor the Karnatak Rastra Sena Mandal, for the last six years, on this occasion of the opening ceremony of the Dal's Academy or Physical Culture. Institutions and especially organisations come into being in the heat of enthusiasm created by the waves of mass agitations like the Swadeshi or Non-Co-operation movements, but it is with difficulty that these institutions survive the passing of the wave - and endure to progress and prosper and attain a steady course of evolution in the present conditions in India. Especially for an organisation like the Karnatak Dal , which is constituted of young men inexperienced and raw workers, without backing of influence and in many instances with direct opposition to face, it is a creditable thing to have surgived the wave of x enthusiasm and come to the present stage of entering on a steady course of progress.

The following recapitulation will sufficiently make evident the difficulties the Dal had to pass through and the stages through which it has passed before coming to its position. Our recapitulation, therefore will lay before the public a short histor of the Dal containing these facts pertinent to the evolution of the Dal.

BIRTH OF THE KARNATAK RASTRA SENA MANDAL

The wave of enthusiasm created by the non-co-operation movement and the enthusiastic response to the organisation of and courting imprisonment in furthering the boycott of the Duke of Cannaughts visit to India, in places which he was scheduled to visit, as resolved upon by the A.I.C.C. did not fail to touch even our politically backward province of Karnatak.

The Karnatak Provincial Congress Committee which met at Bijapur on November 25 and 26, 1921 just after the mass arrests in Calcutta resolved upon the recruiting of a Rastra Sena and entrusted the work to its Executive Committee. Immediately after, the Ahmedabad Congress, in response to the repression undertaken by the Government, called upon the country to enrol a vast army of non-violent, pledged volunteers who would be ready even

to court imprisonment in carrying out the mandates of the Congress. The Karnatak Provincial Congress Committee at its Hubli sittings on January 25 and 26, 1922, gave material shape to its November resolution by appointing a committee consisting of Dr. N.S.Hardiker Mr. M.R. Kembhavi and Mr. V.D.Belvi to raise a Provincial Volunteer Army conforming to the requirements of the Ahmedabad (Congress Volunteer) Pledge.

Organisation 1922

Dr. Hardiker who was the Secretary of the Committee toured Dharwar and Bijapur Districts and established Rastra Sena mandals at Gadag, Hubli, Hangal, Dharwar and Bagalkot and enrolled 607 volunteers who signed the Ahmedabad Pledge.

Services rendered

These volunteers rendered yeoman service at organising meetings and taking part in the political agitation generally. When the Karnatak Provincial Congress Committee met at Hubli in January of the year, the Hubli Volunteers satisfactorily looked to all the arrangements of the meeting, and requirements of the members. In other places also the newly enrolled volunteers took great interest and willingly shouldered a major share of conducting the agitation under the non-co-operation programme.

At Bijapur, when the Civil Disobedience Enquiry Committee visited the place, volunteers from Gadag, Hubli and Bagalkot had undertaken the duty of looking to the Committee's comforts and making other arrangements as organising of meetings etc. Here it was evidenced that the Hubli Volunteers who had recieved some preliminary training in their duties were more efficient and capable of dicharging their duties more satisfactorily than the volunteers from Bagalkot or Gadag.

Training

The obvious difference in the auality of the volunteers mentioned above was due to the fact that the volunteers from Hubli, had received some specific training under Dr. Hardiker, though only for a short period, in the duties of volunteers, and other allied and useful subjects, like the present politico-economical condition of India, comparative and international politics etc. etc., The volunteers were also made to go through a course of disciplined service which though not

C85

appreciated by some was effective of making the volunteers both hardy and smart.

Mr. Narayanrao Kabbur, at Dharwar, trained the local volunteers in drill and other physical exercises.

Besides this at Hubli, the Vartaprasarak Sangha was dissiminating useful educative propaganda under the guidance of Dr. Hardiker, by contributing to the press and publishing articles on the current topic- like, the Non-co-operation right, khaddar and Karnatak, the past and present condition of Karnatak, etc. etc.

Second Year

The Karnatak Provincial Congress Committee met in December, 1922, on 2,3 and 4 at Belgaum and appointed a fresh committee for the new year consisting of Messrs. N.S. Hardiker, Govindrao Yalgi and M.R. Kembhavi, for the purpose of organising the existing branches and to establish new ones of the Rastra Seva Mandal through out Karnatak. Dr. Hardiker was appointed the Director of the Provincial Rastra Sena Mandal.

The Gaya Congress in December, 1922, resolved upon raising of 50,000 volunteers for offering Civil Dis-obedience. The Karnatak Provincial Congress Committee at its Belgaum meeting on 25 and 26th Jan. 1923, resolved upon enrolling at least 2,000 volunteers as per call of the Gaya Congress for offering Civil Disobedience. This resolution again gave impetus to the work of enrolment in Karnatak.

1923 -Beginning of Organisation

Steps were immediately taken by the publication of articles in the papers and of a pamphlet - "Two Thousand Volunteers Required" - giving the history of the struggle for Swaraj and urging the youths to enrol under the Congress Banner. Tours were undertaken by Dr. Hardiker and his assistants, mahashabde, Hebli, Agashe and Dixit, in the Bijapur, Belgaum, Karwar and Dharwar Districts and the work of enrolment and organisation was thus taken in hand. Besides these districts Mangalore, Mysore and Coorg also were organised.

In the District of Karwar, Sec. 144, I.P.C. was served on Dr. Hardiker when he was carrying on propaganda there.

During the year, in 56 places, the enrolment for the province totalled 848.

First Karnatak Provincial Volunteer Conference -Bijapur 1923.

In order to bring together these volunteers and to chalk out further lines of work, the first Karnatak Provincial Volunteer Conferenc was convened at Bijapur, in October, 1923.

Under the Presidentship of Seth Jamnalal Bajaj the Conference passed amonst other resolutions on the following subjects: (1) Supportin the proposed formation of an All-India Volunteer Organisation at Cocoanada and electing II delegates to the proposed Conference (2) Supporting the Bardoli Programme (3) Formation of district Senas, to, educate the volunteers in village work make them ready for Civil Disobedience etc.etc. (4) Recommending the formation of Rastra Sevak Organisation by the Indian National Congress and urging its working Committee to take immediate steps in that direction.

Nagpur Satyagraha

Early this year, the Nagpur Flag Satyagraha which assumed ultimately an All-India form, gave good impetus to the volunteer movement and brought the much desired opportunity of Civil Disobedience, to our very door. Province after province contributed its quota of volunteers and enrolled further numbers to take up the fight in the wake of these who entered jails in defending their national flag. Karnatak also gave 53 volunteers to far off Nagpur to maintain the struggle. Dr. Hardiker who had been to Nagpur for supervising the Karnatak Volunteers batches was arrested on 26th June 1923. Mr. Hanmantrao Kavjalgi was appointed by the Karnatak P.C.C. to take the place of Dr. Hardiker and further contingents were got ready. The next batch was to proceed to Nagpur in August; but the Satyagraha was stopped on the withdrawal of the prohibitory order by the Government and the consequent release of prisoners.

Death of Govindrao Yalgi

In the meanwhile the Karnatak Rastra Sena Mandal was unfortunate enough to lose one of its very able and enthusiastic members, Mr. Govindr Yalgi who died on September 27, at the early age of 40.

Other work

During the year 115 meetings were arranged by the members of the Mandal in various places. Out of these 44 were general public meetings,

17 for ladies,23 for boys and girls, 31 for volunteers. The Provincial Political Conference in recognition of the services of the volunteers called upon the various district Congress Committees in the Province to subsidise the proposed All-India Volunteer Organisation at Coaconada with a contribution of Rs. 40/- each and we are glad to inform that all the Karnatak District Congress Committee willingly paid their quota

Formation of Hindustani Seva Dal

In December 1923, the first All India Volunteer Conference formed the Hindustani Seva Dal which the Cocoanada Congress graciously recognised and its Working Committee, packed with a small donation.

Immediately after the formation of the Dal, the Karnatak Rastra Sena Mandal Committee was matamorphosed into the Karnatak Provincial volunteer (Hindustani Seva Dal) Board.

The 39th Indian National Congress was invited by Karnatak and the invitation was by the grace of God accepted.

The Reception Committee of the ensuing Congress also lent its backing to the training, disciplining and organising of the volunteers that would be required for the Congress and it was proposed to open a Central Training Camp for this purpose, from June 1, 1924.

Belgaum Congress Volunteers

The scheme for organising volunteers for the Belgaum Congress which was submitted to the Reception Committee early in March, was though accepted, somehow or other delayed. The cause of this seems to be (1) the failure of a training camp conducted for 15 days at the time of a fair in Andra, and also (2) the want of recognition of the effectiv utility of trained service.

Training

The enrolment of volunteers was begun about May it dragged on until August when a Central Training Camp was started at Sitimani in Bijapur District and 15 Sahayaks were trained therein.

When once the camp training was begun, the work of enrolment went on apace. The Reception Committee did defray some intitial expenses of these camps but the main work of collection was done by the trained sahayaks that began to come out of the camps after finishing their training. In all about Rs. 4,000/- were collected by the Sahayaks. 11 Full day camps, 3 half-day camps and 14 classes were run in the province, in these elementary training on the lines laid down by the Hindustani Seva Dal was given for a period varying from 15 days to

month. In all about 200 Sahayaks were trained in Camps and about 200 more in classes. Out of the 817 volunteers at the Belgaum Congress, the remaining were given temporary training in guard-duty, crowd and traffic control and other duties of volunteers at the Congress Camp itself. There were also 141 Lady volunteers and 198 Balaks (Scouts) who were trained by 11 Scout Masters who had been deputd by the Dal to the Mysore Scout Camps for being trained.

Strength etc.

The Volunteers of the Congress came from all castes and creeds, rich and poor from all professions in life and from all parts of the province.

Out of the total number of 1,156 there were 24 medical volunteers, 15 cycle volunteers and 2 mounted volunteers.

The work was devided into 14 branches as per departments of the Reception Committee. The Accomodation, Sanitation, station and Exhibition Departments took up nearly 400 Sahayaks permanently. Therefore, the available force to the Volunteer Department for serving the other departments of the Reception Committee, was really less than 500. This number besides working in the daytime, had to do night guards duty also for which ladies and scouts were unfitted.

About 60 thefts were caught red handed but in order that prolonged process of justice may be saved the might-have-been victims of the thefts, the thieves were sent out of the Congress Camp with a warning not to enter it again.

Though the trained volunteers were only 400 in all the Belgaum Congress Volunteers gave a more systematic and satisfactory service than the Cocoanada and Gaya Congress Volunteers who outnumbered ours by far.

Fourth Year - 1925

During 1925, the Karnatak Dal gave its services to the Karkal (South Canara District) Conference, where a South Canara District Seva Dal Board was formed. A branch of the Dal was formed in Coorg also at the time of the Landholders Conference at Napoklu.

Shravanbelgola.

Dr. Hardiker with half a dozen volunteers was invited by the Shravan Belgola Fair Organisers in March. He accepted the invitation. The charge of 200 volunteers at the time of the fair which lasts for a month, was entrusted to Mr. D.M.Lengde of the Karnatak Dal, whose services were appreciated by the conferring of a Gold medal by the Fair Committee to Mr.Lengde.

Training

Camps were opened at Kankanhalli and Channapatan in Mysore State and at Bagalkot in Bijapur District by organisers of the Dal early in the year. The Karnatak Dal conducted an All India Training Camp at Sitimani in September. The Organisers of the Karnatak Dal were invited by the Reception Committee of the Cawnpore Congress and under their auspices conducted camps at Hathras, Laucknow, Gorakhpur, Aligarh. Brindavan and Benares, and trained a good number of volunteers

1926.

The Karnatak Provincial Volunteer Board of the Dal appointed Mr. S.P.Kulkerni, Bagalkot, as Provincial Organiser.

A Taluka Board was formed at Athani in Belgaum District and a District Seva Dal Board was formed at Bellary.

2nd Provincial Volunteer Conference

In May the Second Karnatak Provincial Volunteer Conference took place at Bellary under the Presidentship of Mr. Hoskoppa Arishnarao. The Conference resolved upon the following items of work for the year (1) Enrolling 10,000 Congress members before September, (2) Establishing of Gymnasiums under the auspices of the Dal in the Province, (3) The Collection of Rs. 5,000/- as Karnatak Dal Nidhi and (4) the enrolment of 500 pledged members of the Dal.

The Karnatak Dal enrolled during the appointed time 14,399 Congress and 613 D.P members and collected Rs. 2,000/- for the Dal Nidhi.

Training.

Classes were organised for training Balaks at Athani and Bagalkot and also a camp was conducted at Bellary.

1927

This year also the Karnatak Dal enrolled 6,653 Congress and 226 Dal members. About 28,000 signatures were taken by the Dal on the appeals issued by the Karnatak Unification Sabha.

Mahatma Gandhi toured in the southern parts of Karnatak during the year. Local volunteers rendered efficient service everywhere. In Mysore State, Dr. Hardiker and Mr. Hoskoppa Krishnarao, the Dalapati, were also in attendance on Mahatmaji for a time. The Bangalore Seva Dal Volunteers rendered conspicuous service at the time of his stay in Bangalore and Nandi Hills.

Training

Training

Training in Lathi, drill etc. was given to 272 volunteers Bagalkot, Bangalore, Coorg, Hangal, Davangere and Ugargol.

A training camp was opened for full one month in October a Bagalkot and 22 candidates were trained under the personal supervision of Dr. Hardiker. Besides these 94 town people were trained in classes at Bagalkot simultaneously.

Gujarath Floods

In spite of the repeated refusal of Mr. Vallabhabhai Patel to accept volunteers for relief work at the time of the floods in Gujarath, (August) three volunteers were sent from Hubli and were graciously accepted by Mr. Vallabhabhai, through the good offices of Mr. J.K.Mehtha who was the Secretary of the Central Flood Relief Committee of Bombay. These volunteers stayed in Gujarath for over two months and in spite of the language difficulty, -two of them did not know Gujarathi, though all knew Hindi and English - rendered satisfactory service at Nadiad and the villages nearby.

1928

Immediately after the Madras Conference of the Dal, (December, 1927) Mr. M.C.Mathand of the Dal's office at Hubli was sent to Coorg where he induced the Landholders Association to grant a sum of Rs. 250/- to conduct a month and a half's training camp in Coorg for about a dozen volunteers. Mr. Mathand conducted a camp at Ammetty from March 1, to April 15, 1928 and trained 11 volunteers, in the preliminary course.

The Karnatak Provincial Volunteer Board had scheduled to open three or four camps in different parts of the Province during 1928. The above was one of the proposed camps. The second camp was opened at Tirthhaalli on April 25 and conducted with 36 resident students till 27th May. Besides these 86 towns people enrolled for class trainingg at Tirthhalli from April 15th and about 40 of them had about 40 days class training in a number of subjects till 27th ~~Mgt~~ May. Tirthhalli being an out of the way place and food-stuffs being costly, we had to incur an expenditure of Rs. 12,55/- for the camp. Special arrangements were made for training a batch of 7 volunteers who had completed the first year's course in advanced course. and this this a large number of instructors was sent to the Camp. The Tirthhalli public enthusiastically collected the requisite amount with the help of Mr. Bindacharya Burli, the Karnatak Dal's Provincial Organiser, in the locality and surroundings.

The Dal also lent the services of Mr. Havargi of Bagalkot to give Lathi training at the Shanti Shibir of Mr. Karant at Puttur, in South Canara, conducted under the auspices of the Bharat Yuvak Sangha of Sadhu Vasvani.

Pt. Jawaharlal Nehru's Tour.

Pt. Jawaharlal Nehru visited our Province in May last week and the first week of June. He visited Dharwar, Hubli, Mangalore, Udipi, Tirthhalli, Shimoga, Gadag, Annigeri, Bagalkot Bijapur and other places on the way. He as president or the Dal was given a cordial reception by Dal members in every place; he delivered speeches at all most all the places on his route, on independence and youth's duty in the attainment of it. Dr. Hardiker escorted Pt. Nehru throughout his tour in our Province.

Academy Building Fund

A committee consisting of Dr. Hardiker, Mr. Hoskoppa Krishnarao and Mr. Shrinivasrao Kawjalgi have been busy collecting funds for the Building of the Academy of Physical Culture at Bagalkot. General Secretary's

Report of the Work of the Hindustani Seva Dal

for the first eight months of the year 1929

Provincial Dal Boards

At the time of the Calcutta Conference alone there were nine Provincial Dal Boards formed and in existence. These are:- (1) Maharastra (2) Punjab (3) Andhra (4) U.P. (5) Behar (6) Karnatak (7) Bombay (8) C.P.Hindi and (9) Bengal. The last two of these were formed at Calcutta for the first time; but the others were working since the previous years and their re-formation was only an annual election.

C.P.Hindi and Bengal had only five members each appointed by the All India Volunteer Board at the time of their formation, while all the others had also, besides these, their complement of the remaining three members elected as representatives of the respective Provincial Congress Committees. The Provincial Congress Committee of C.P.Hindi later, in July, elected its three representatives on the C.P.Hindi Provincial Dal Board. But Bengal has not yet done so.

Besides the above nine, (10) Tamil Nadu and (11) Delhi provinces also have formed their Provincial Dal Boards in February and in May respectively.

Karachi has also begun to take interest in the Dal's work and a local branch has been recently formed there. It is likely that this branch may develop into a Provincial Dal Board and take up the work in the entire province of Sindh.

District Boards

A number of District Boards havealso been formed. Andhra has four; Behar and U.P. also have some. Tamil Nadu and Maharastra have begun these formations. But our experience in this respect is that we should not encourage the formation of these B O A R D S. Generally, the members on these Boards come from various localities in the District, and they meet on rare occasions only. While the idea of having a number of influential workers on a Board is, no doubt, logically an advanced step in the building up of democratic institutions, we find that instead of a Board, if we have a reliable representative, the Dal's work is carried out more vigourously and in a more responsible manner. Of course the general conditions in India are responsible for this state of affairs.

Wehile we have, therefore, not encouraged the mere increase of the number of Boards, we have been trying to push the work through accredited representatives; or through Boards as the case may be, where some substantial work of the Dal could be expected.

Though we have these eleven Provincial Boards and a number of District Boards besides, the intensity and the extent of the work of the various Provincial and District Boards differs much from one to the other.

Monthly Flag Salutation

The Calcutta Dal Conference passed a resolution enjoining on Dal branches to arrange a Falg Salutation Programme at 8 A.M. on the last Sunday of every month, where all Dal members, within reach, were expected to be present and to salute the Flag and sing the National Anthem - "Vande Mataram".

This Monthly function was meant as a demonstration and a lesson in having a disciplined activity of the Dal at

least once a month; for popularising the National Flag; and as a local rendezvous for concerting measures for the spreading of the Dal's propaganda. The utility of this function has, we can say, been appreciated to a great extent. Some of the Provincial Congress Committees like those of the Andhra, United Provinces, Karnatak and Behr have recommended the function and urged their constituants to carry it out regularly. Leaders like Mahatma Gandhi, Pts. Motilal and Jawaharlal Nehru, Drs. M.A. Ansari. Mahomad Alam. Kichlew. and A. Laxmipati, Babus Rajendra Prasad and Brijkishore Prasad, Hon'ble Ramadas Pantulu, and Messrs. B. Srinivas Iyengar, S. Satyamurti, Jayaramdas Doulatram, K.F. Nariman, B.V.Belvi, Srinivasrao Koujalgi, Swami Narayan and others have taken keen interest in the function.

We had reports from 50 places, which carried out this function, in January. The number has increased and reached 200 in August. The difficulty in having a regular record of places where this function takes place can be appreciated when we say that reports of two or three months' functions are sent together from some places; while some do not send their reports at all to either their provincial Dal Board Officers or to the Dal Head-Quarters. This can only be improved as our members go on developing a promptness in reporting.

The various bodies outside India which are affiliated to the Indian National Congress have been sent flags and khaddar caps by the Dal office; and some of them are considering the question of carrying out this monthly function in the countries of their location

The All India Spinners Association has now promised to help the Dal in popularising the National Falg by keeping ready for sale at their Provincial branches Khaddar Flags of suitable sizes for hosting purposes.

TRAINING

The main work of the Dal consists in the training of volunteers. But the regular training of the Dal in its completeness is both a question of time and also of money. The Dal has developed its course of Physical training from an elementary one in the early years, to a highly technical one since especially the establishment of its academy of Physical Culture at Bagalkot (Karnatak). Now its training in Physical Culture alone may take for eginners more than six

months to complete. It will thus be seen that it is difficult to get candidates ready to spare the time and expenses for the purpose.

Even the running of a camp with about forty candidates requires, if the camp is to become a successful one, the assistance of more than half a dozen physical culture instructors; besides, of lecturers on subjects like the working and history of the Congress and the Dal Organisations, India's economic condition, present day politics of India, first-aid and sanitation, village organisation and such other informative subjects of mental equipment. The running of a camp of this sort is also an expensive affair, costing for a period of about a month or six weeks from a few hundred Rupees to a thousand or more. Besides, the training which the candidates, if they are novices, receive at one camp will not cover much more than one-third of the full course of the Dal's training.

However, in spite of all this, the following camps were opened during the first eight months of the year: (1) Tumkur (Mysore State) run by Dal Head-Quarters, (2) Dighaghat (Sadaquat Ashram) run by the Bihar Provincial Dal Board, and (3) Lahore, run by the ensuing Congress Reception Committee.

Besides these there were short time training camps in (1) Avadi, near Madras and (2) Vedaranyam, Tamil Nadu.

Training in classes has been given by specially trained Dal instructors at the following places:-

Karnatak:- Dharwar District: (1) Dharwar (2) Hangal (3) Guttal (4) Agadi (5) Kanawalli (6) Sirahatti (7) Hubli

Bijapur District: (1) Tikikhali Bijapur (2) Bagalkot.

Mysore State: (1) Tirthhalli (2) Shimoga and (3) Bangalore.

Maharashtra: Khandesh District: (1) Raver
Ratnagiri District (1) Sasavane
Satara District (1) Satara
Bombay sub-urban District: (1) Borivali, (2) Pali (3) Malad (4) Bhandup (5) Vasava (6) Vile-parle.

Punjab: (1) Multan

United Provinces: (1) Benares (2) Brindavan (3) Tarikhet

C.P.Hindi (1) National School, Raipur

Tamil Nadu (1) Villivakam and (2) Madras.

Mr. Ranga Iyengar, President of Tumkur Muncipality, and

advocates, Messrs. T. Subrahmanyam, D. Ramrao and others admirably helped to conduct the camp there. These gentlemen collected locally all the funds required for the camp and refused to take any expenses from the camp rs. The camp cost approximately Rupees 1,200/-

Mr. S. Srinivas Iyengar of Madras was invited for presiding over the closing ceremony of the Tumkur camp on June 8. The closing function was a grand success, the whole of Tumkur being en-fete on the occasion of the visit of the distinguished guest.

The Bangalore Seva Dal which originated in the Bangalore National High School, on the model of the Dal, has a curriculum of graduated Physical Culture training which is being carried out by a graduate teacher of the school who is an ex-worker of the Dal Head-quarter. They have also a gymnasium called Krishna Swami Vyayam Shala for the last two years and their membership exceeds 200.

Besides this the Bagalkot academy of Physical Culture is functioning regularly and gives training to about from 40 to 100 boys of the town whose number varies with the exigencies of their school studies. It also trains candidates from outside provinces who go there for training.

The following candidates were trained at Dal Head-Quarters and at the Tumkur camp for carrying on Dal propaganda in their respective provinces:-

Maharastra:- (1) Mr. R.B. Bahulekar and (2) Mr. N.G.Vaidya

Behar:- (1) & (2) Mr. & Mrs. K.P.Sinha.

C.P.Hindi:- (1) Mr. Ramrao Maneker.

Except the last, who is working for gaining experience in Madras, the others have returned to their respective provinces and are doing Dal's work.

The Dal has been progressively successful in introducing its curriculum of Physical Culture training in schools by sending its instructors and otherwise. Even some municipal schools where there are sympathetic members on the corpporation have become amenable to the Dal's influence.

The latest and exact figures of members who have received training during last eight months could not be ascertained as reports from some of the workers have not arrived in time. However, with confidence we can say that during the period under report more than 1,200 boys have benefitted from the Dal's training. As we said above not all of them

receive either the full training or yet a sufficient amount of it for making them fit as instructors. But a good number of these - we may compute them at 150 - capable of giving at least one camp's training while a few dozens of them can be relied upon to become available when they have time to work as instructors at the bidding of the Dal.

Order under Sec. 144

When I was in the Mysore State, the Bangalore and the Tumkur magistrates passed orders prohibiting me from speaking in public or appearing in procession. The orders naturally resulted from the imaginary fear of the officials about the breach of peace. In the latter instance the case was fought by our indefatigable nationalist, Mr. K. Ranga Iyngar, as a test case, on my behalf at the Mysore Chief Court, where Justice Doreswami Iyer passed strictures on the magistrate's orders and deprecated the passing of the same relying on mere police reports without assertaining the real facts. By the time this judgement was passed the prohibitory order of the magistrate had lapsed as more than the period of the order viz., two months had elapsed.

Invitations

Invitations for instructors have come from a number of places. About ten such places from different provinces have been mentioned in my first four month's report. Besides these, Brindavan, Hoshangabad, Bezwada, Jhelda, Hungund, Tamil Nadu and the Punjab have recently requisitioned instructors.

It is not always possible to meet the demands of all these various places. Sometimes the places which want instructors are ready to pay the instructor's charges in full or in part; while often times the Dal is asked to send instructors at its own cost. Besides as the Dal has no funds and can not maintain regularly a large number of instructors, it becomes impossible to make available, when there is demand, instructors for all places which call for them, however, the Dal is making the best adjustments in this respect under the circumstances. It hopes that within a year or two when it aspires to have a large number of efficiently trained instructors in various places, it may be able to meet more satisfactorily, the growing demand. Finances also stand in the way of rapid increase in the work of training.

Anniversary of Academy

An event of much interest was the anniversary of the opening day of the Academy of Physical Culture at Bagalkot. It fell due on August 1.

At the same time the first Karnatak Physical Culture Conference as well as the forth Karnatak Provincial Volunteer Conference were convened, Mr. K.V.Iyer, the reputed Physical Culturist of Bangalore, presided over the former and Mr. G.V.Harisarwottumarao of Andhra presided over the latter.

The Physical Culture Conference appointed Mr. K.V. Iyer as Dal's inspector of Physical Culture institutions in Karnatak and urged him to make a comprehensive report by November embodying his suggestions as to the steps the Dal should take in this connection.

The Fourth Karnatak Provincial Volunteer Conference dealt with matters of Provincial concern and also decided to hand over the property of the Academy to a trust.

The foundation stone of a residence for candidates at the Academy was also laid by Mr. K. Ranga Iyengar of Tumkur.

Mr. K.V. Iyer visited some of the large towns in Northern Karnatak and gave some of his Physical Culture demonstrations and exhibitions of strength. He gave the proceeds to the Dal.

Practical non-violence

While volunteers from a number of places in Karnatak were at Bagalkot for the anniversary, on 31.7.1929, they went out for distribution of handbills in the town. They took the Dal's band also along with them. Most of those who were in the procession were outsiders. They failed to stop the band in front of a mosque which could not be recognised as such from outward appearance by a casual passer by. Immediately, the procession consisting mostly of boys of tender ages was assaulted by mohomadans near about the mosque with any tools and instruments which they could lay their hands upon.

It is greatly creditable to the volunteers and their captain, Mr. L.R.S. Sharma who led the procession, that they did not only retaliate, though they were physically well trained volunteers, who could have defended themselves or even retaliated if they had so desired but on the other hand they appologised for their unconcious mistake and even prostrated themselves and begged to be excused. Some

monomedan women appealed to the assaulters to cease their attack on non-violent men. But the assaulters withdrew only when a large crowd began to collect on the spot.

The leaders of the Dal explained the same day at a public meeting the un-intentional mistake of the volunteers and clearly enunciated the non-violent creed of the Dal and its workers which was that day put to the test under very trying circumstances and came out unscathed.

This incident is an example for Dal members and also redounds to the credit of those who bore the assault calmly

Donations

The Dal has received donations as follows

(1) Dharwar Muncipality ear-marked for Dharwar branch - Rs. 200/-

(2) Mr. Nirmal Kumar Navlakha - Rs. 100/-

(3) Mr. M.R.Jayaker - Rs. 50/-

(4) Behar Provincial Congress Committee - Rs. 50/-

The following dramatic cos. in Karnatak have promised donations for the Academy:- (1) Sirhatti Dramatic Company, (2) Halageri Lokaseva Dramatic Company (3) Amba Prasadika Dramatic Company and (4) Sri Krishna Dramatic Company.

All these have promised Rs. 1000/- or more, and have paid part of the promised donations. The balances of their donations are to be realised from the proceeds of the benifit performances they give for the Dal.

Dal Membership

So far as we have reports, over 900 members have been enrolled till today. Karnatak has a membership of 300, Central Provinces Hindi 10 Delhi 40, United Provinces 168, Tamil Nadu 60, Andhra 40, Maharastra, 89 and Behar has more than 125 though I have not got Behar's exact figures. Other provinces have not yet sent their reports of enrolment.

In this connection we have to mention that not all those who take training under the Dal become members of the Dal owing especially to its political affiliation. We can only improve this by and by.

Congress Membership

Dal members alone have enrolled more than 8000 Congress Members in Karnatak. In Tamil Nadu, the Provincial Dal Baard aspires to enrol more the end of September, 15000 Congress members. In Satara District in Maharastra & in some places in United Provinces and Central Provinces Hindi, Dal members have helped in Congress membership enrolment. Behar is possibly the first province to complete its

quota of Congress membership We are confident that Dal members acquitted themselves satisfactorily in campaign there.

Resolutions of Conferences etc.

The following are some of the Conferences which have passed resolutions urging the formation of Dal branches:- (1) 7th Maharashtra Provincial Political Conference, Bandra. (2) Satara District Political Conference, Chaphal. (3) Monghyr District (Behar) Political Conference. (4) Monghyr District Youth Conference. (5) Coorg Land Holders Conference. (6) 33rd Tamil Nadu Provincial Political Conference.

Tours

Over 40 places have been visited by me during the eight months. Most of these places are given in my report of the first four months. They can be classified as follows:-

Maharashtra 5, Karnatak 12, Coorg 2, Mysore State 10, Keral 5, Bombay and its suburbs and five other places in adjoining states.

The Secretaries of the Provincial Boards of Tamil Nadu, Andhra, Behar, Maharashtra, United Provinces, Punjab, and Central Provinces Hindi have visited various places in their respective provinces for Dal work.

A tour in Central Provinces (Hindi) of myself, and Messrs. G.V. Harisarwottamrao and V.V.Subedar, two other members of the All India Volunteer Board was scheduled for July but due to want of adequate response it was ultimately abandoned.

Other propagandists of the Dal besides myself are also having propaganda tours and carrying on training or collection work in different places.

I have been recently called to visit the Punjab and I have visited a few places in Maharashtra on my way thither.

My Dear Doctor,

Your No. VII/1538, dated the 29th November, 1929

The Monthly

Flag Salutation Ceremony

Every Junior, Member and Associate of the Hindustani Seva Dal should loyally work out the following resolution passed by the Dal's Conference at Calcutta on December 30, 1928. It runs :—

> Resolved that every branch of the Dal shall hoist the Swaraj flag in a convenient place and every member and Associate of the Dal within reach shall attend a rally at that place once every month at **8 A. M.** on the last Sunday of every month, sing *Vande Mataram*, salute the flag and disperse.
>
> "Resolved further that a report of every such Rally be sent to the Provincial Board regularly."

How inspiring will this programme be if it is carried out by a large number of members and youths *at the same hour and on the same day once a month throughout the length and breadth of the land?* It is bound to bring results by accelerating the work of the Dal and making it a compact, consolidated and real BODY with an almost religious discipline of its own —INDIAN NATIONALISM.

This Congress, therefore, welcomes the movement for the formation of an All-India Volunteer Organisation and calls on the Working Committee to take all necessary steps to form such a body of trained workers in co-operation with the Organisers of the Movement and keep control and supervision over it while giving it freedom of internal management and administration.*"

In turn the All-India Volunteer Conference passed the following resolution :

KARNATAK PROVINCIAL VOLUNTEER BOARD

Hubli,
February 17, 1928.

Dear Brother,

I am sending you herewith a printed copy of some of the items of Karnatak Dal's Programme for 1928.

In order to consider the ways and means of carrying [illegible] gramme in question and to consider other matters connected with the work of the Dal, a meeting of the Karnatak Provincial Volunteer Board has been convened for March 3, 1928, at Koppa. A meeting of a few selected workers of the Province who have had experience of public work for the last few years has also been convened on the same date and at the same place, so that it may help in the deliberations and plan of work to be decided upon by the Board.

It is not necessary for me to say how much I would like your personality being present there at the time of the meetings mentioned above, on March 3, 1928. If this is not possible I urge you to send your concrete suggestions to me so as to reach here on the 5th instant and if later to care of Mr. Oshomma Krishnarao, Adv. Gokak (Belgaum Dist.) before date. These will be thankfully welcomed and duly considered.

I need not tell you that without the willing co-operation of our friends and public bodies, we, of ourselves, could never have been able to do even the little work that we have done till now. But in order that we may be enabled to give our service of Khadi more extensively efficiently in future, we are seeking your advice and concrete suggestions, which coming from you and brought with the backing of your experience of public work in Karnatak, will be gladly welcomed.

I urge you, therefore, to find some time from your multifarious activities, to consult your friends in your city and to send your suggestions soon.

Please reply this letter.

ನನೆ ಪಟ್ಟಣಗಳಲ್ಲಿ ಸಾಮಾನ್ಯವಾಗಿ ಪ್ರತಿ ಮಂಗಳವಾರ ಮತ್ತು ಶುಕ್ರವಾರದಂದು ಸಂತೆಗಳು ನಡೆಯುವುದು ವಾಡಿಕೆಯಲ್ಲಿದೆ. ಈ ಸಂತೆಗಳಲ್ಲಿ ಸುತ್ತಮುತ್ತಲಿನ ಹಳ್ಳಿಗಳಿಂದ ಬರುವ ರೈತರು ತಮ್ಮ ಉತ್ಪನ್ನಗಳನ್ನು ಮಾರಾಟ ಮಾಡಿ ಅಗತ್ಯವಾದ ಸಾಮಾನುಗಳನ್ನು ಕೊಂಡುಕೊಳ್ಳುತ್ತಾರೆ. ಈ ಸಂತೆಗಳಲ್ಲಿ ಸಾರ್ವಜನಿಕರ ಅನುಕೂಲಕ್ಕಾಗಿ ಸಂತೆ ಸುಂಕವನ್ನು ವಸೂಲಿ ಮಾಡುವ ಪದ್ಧತಿ ಜಾರಿಯಲ್ಲಿದೆ. ಸಂತೆ ಸುಂಕವನ್ನು ನಿರ್ವಹಿಸುವುದರಿಂದ ಪುರಸಭೆಗೆ ಆದಾಯ ಬರುವುದು. ಸಂತೆಯಲ್ಲಿ ಸಾರ್ವಜನಿಕರಿಗೆ ಶೌಚಾಲಯ ಮೂತ್ರಾಲಯಗಳ ವ್ಯವಸ್ಥೆ ಮಾಡಿದ್ದಲ್ಲಿ ಸಂತೆಗೆ ಬರುವ ಜನರಿಗೆ ಅನುಕೂಲವಾಗುವುದು. ಸಂತೆಯಲ್ಲಿ ಸಾರ್ವಜನಿಕರಿಗೆ ಕುಡಿಯುವ ನೀರಿನ ವ್ಯವಸ್ಥೆ ಮಾಡಿದ್ದಲ್ಲಿ ಅನುಕೂಲವಾಗುವುದು.

ಬಂಧುಗಳೇ —

ನಾನು ಯಾವ ಪ್ರಕಾರದ ಕಾರ್ಯವನ್ನು ಕೈಕೊಂಡಿರುವೆನೆಂಬದನ್ನು ನೀವು ತಿಳಿದವರಾಗಿದ್ದೀರಿ. ಹಿಂದೀರಾಷ್ಟ್ರೀಯ ಸಭೆಗೆ ಸಹಾಯವಾಗುವ ಉದ್ದೇಶದಿಂದ ಕೆಲಸಮಾಡುತ್ತಿರುವ ಹಿಂದುಸ್ತಾನೀ ಸೇವಾದಲ ಎಂಬ ಸಂಸ್ಥೆಯನ್ನಾದರೂ ಎಲ್ಲರೂ ಬಲ್ಲರು. ಪಾಕ್ಷಭೂಮಿಯ ಸೇನೆಯನ್ನು ಸರಿಯಾದ ಪಥದಲ್ಲಿಂಗ ನಡೆಯಲು ಶಿಕ್ಷಣವನ್ನು ಹೊಂದಿಸಿ ಮತ್ತು ಶಿಸ್ತಾಲಿನ ಹಿಂದೀ ತರುಣರ ಅವಶ್ಯಕತೆಯು ಕಂಡು ಬಂದದ್ದರಿಂದ ನಾನು ಈ ಸಂಸ್ಥೆಯದ್ವಾರಾ ಹಿಂದೀ ತರುಣರನ್ನು ಶಿಕ್ಷಿತರನ್ನಾಗಿ ಮತ್ತು ಶಿಸ್ತುಗಲಿತರನ್ನಾಗಿ ಮಾಡುವದಕ್ಕೆ ನಿಶ್ಚಯಿಸಿದ್ದನ್ನು ಸ್ಪಷ್ಟಪಡಿಸಿದ್ದೇನೆ. ಈ ಕಾರ್ಯವು ಸಾವಕಾಶವಾಗಿ ನಡೆದಿದ್ದರೂ, ಇಲ್ಲಿಯವರೆಗೆ ಆದ ಕಾರ್ಯವು ನಮಗೆ ಬಹುದಿವಸಗಳವರೆಗೆ ತೃಪ್ತಿಕರವಾದದ್ದು ಮತ್ತು ಉತ್ತಮತರಗತಿಯದ್ದೂ ಆಗಿರುವದೆಂದು ಹೇಳಲು ಸಂತೋಷವಾಗುತ್ತಿದೆ. ಕಾಪ ಈ ಮೊದಲಿನಂತೆ ಇನ್ನು ಮೇಲಾದರೂ ನನಗೆ ಸಹಾಯವನ್ನಾಗಿದರೆ ಮತ್ತು ನನ್ನ ಕೂಡ ಸಹಕಾರ ಮಾಡಿದರೆ ಇನ್ನೂ ಹೆಚ್ಚು ಹಾಗೂ ಪರಿಣಾಮಕಾರಕವಾದ ಕಾರ್ಯವನ್ನು ಮಾಡಿತೋರಿಸುವೆನೆಂದು ನನಗೆ ಅನಿಸುತ್ತದೆ.

ಇತ್ತೀಚೆಗಾಗಿ ಉತ್ಸಾಹಿಗಳು, ಸೇವಪ್ರೇಮಿಗಳು, ಶಿಸ್ತಿನಿಂದ ಕೆಲಸಮಾಡುವಂಥವರು ಮತ್ತು ಸ್ವಾರ್ಥತ್ಯಾಗಿಗಳಾದಂಥ ಕೆಲಸಗಾರರ ಅವಶ್ಯಕತೆಯು ನನಗೆ ಸಹಜವಾಗಿ ಕಾಣಬರಹತ್ತಿದೆ. ದೇಶದೊಳಗಿನ ಬೇರೆ ಯಾವ ಶಿಕ್ಷಣಸಂಸ್ಥೆಯೂ ಇಂಥ ಕೆಲಸಗಾರರನ್ನು ನಿರ್ಮಾಣಮಾಡಲಾರದು. ನಾನೇ ಮೊದಲು ಕೆಲವು ತರುಣರಿಗೆ ಶಿಕ್ಷಣ ಕೊಡದ ವಿನಃ ಈ ಕೆಲಸವಾಗದು. ಆದ್ದರಿಂದ ಈ ಕೆಲಸವನ್ನು ಅವಶ್ಯವಾಗಿ ಕೈಕೊಳ್ಳಬೇಕಾಗಿದೆ. ಇದಕ್ಕಾಗಿಯೇ ನಾನು ನಿಜಾಮರ ಪೆನ್ಷನ್ನಿನಲ್ಲಿರುವ ಜಾಗಲಕೋಟೆಯೆಂಬ ಊರಲ್ಲಿ ಹಿಂದುಸ್ತಾನೀ ಸೇವಾದಲದಿಂದ ಒಂದು ಮಧ್ಯವರ್ತೀ ವ್ಯಾಯಾಮಶಾಲೆಯನ್ನು ತೆರೆದಿರುವೆನೆಂಬ ಸಮಾಚಾರವನ್ನು ಪ್ರಸಿದ್ಧಪಡಿಸಿದ್ದೇನೆ. ಈ ವ್ಯಾಯಾಮಶಾಲೆಯ ಕಟ್ಟಡದ ಕಾರ್ಯವು ಈಗಾಗಲೇ ಪ್ರಾರಂಭವಾಗಿದೆ. ಇದು ಬರುವ ಜುಲೈತಿಂಗಳ ಕೊನೆಯವರೆಗಾಗಿ ಮುಗಿಯುವೆನೆಂದು ನಿರೀಕ್ಷಿಸಿದ್ದೇನೆ. ಇದರ ಪ್ರಾರಂಭೋತ್ಸವವು ಶ್ರೀಮಂತ ನವಾಬರ ಕೈಯ್ಯಿಂದ ತಿಳಿಸಲಾದ ಅವಧಿಯಲ್ಲಿ ಜುಲೈ ೩ನೇ ತಾರೀಖಿನ ದಿವಸ ನಡೆಯುವೆನೆಂದಿದೆ.

To,

The Dal Members, Sympathisers, Helpers
AND
Organisers of all Youth Movements in India

Since the Dal came into existence at Cocoanada in December, 1923, we have been feeling the want of instructors for fulfilling the objects of our Organisation Many times, invitations to train groups of volunteers at different places all over the country had to be left unaccepted on account of want of instructors alone.

To remove this difficulty in advancing the objects of the Dal we have undertaken the building of an **Academy of Physical Culture** at **Bagalkot** in Bijapur District The building is ready and will be opened on August 1, 1928, and the training of the 1st batch will commence forthwith.

It is also hoped that our attempts will give an impetus to the youth movement too, in as much as we propose to train physically and mentally all young men who, we know have an intense desire to serve the country but find themselves unequipped having no definite programme before them

I feel great pleasure, especially as this is the first occasion when the Dal is occupying its own building and starting an Academy, in inviting all members, svmathisers, helpers of the Dal and heads of youth movements to come and grace the occasion with their presence I further request them to bring their friends who are interested in our movement and are desirous of assisting in its spread They will be able to personally witness the work that the Dal has done so far and help us in formulating our schemes of work for the future.

I shall also welcome candidates from the various provinces in the country to enrol for training with the 1st batch from September 15th The elementary course will last for eight weeks The boarding and lodging expenses at Bagalkot will not exceed Rs 20/- per mensem The candidates have to bear their own travelling and uniform charges

If the authorities of the Dal in the various provinces and the Dal's supporters in those provinces where there are no Dal branches at present take up this matter seriously they can send at least a few candidates for immediate training These men, when they go back after training, can begin, in *their* turn, training other members of the Dal in their own locality or province and help to spread the gospel of independence

I urge that all those concerned will treat this as a personal letter and consider this matter earnestly and write to me immediately

I again urge the Dal members, svmpathisers, helpers, and organisers of all vouth movements in the country, to come to Bagalkot on August 1, 1928, and encourage us with their presence and help us with their advice

ಪಂಡಿತ ಜವಾಹರಲಾಲ ನೆಹರು ಅವರು ಎಲ್ಲ ಪ್ರಾಂತಿಕ ಕಾಂಗ್ರೇಸ ಕಮೀಟಗಳಿಗೆ ಕಳಗಿನ ಓಲೆಯನ್ನು ಕಳುಹಿದ್ದಾರೆ.

ಓಲೆ

ನನಗೆ ಮೊನ್ನೆ ಮೊನ್ನೆ ಕರ್ನಾಟಕ ಪ್ರಾಂತವನ್ನು ಸಂದರ್ಶಿಸುವ ಮತ್ತು ಹಿಂದುಸ್ಥಾನೀ ಸೇವಾದಲವೆಂಬ ಸಂಸ್ಥೆಯನ್ನು ನೋಡುವ ಸುಪ್ರಸಂಗವು ಒದಗಿತ್ತು. ನಾನು ಸೇವಾದಲದ ಒಂದು ಶಿಕ್ಷಣ ಶಿಬಿರವನ್ನು ಮತ್ತು ಬಾಗಲಕೋಟೆಯಲ್ಲಿ ಕಟ್ಟಲ್ಪಡುತ್ತಿರುವ ವ್ಯಾಯಾಮ ವಿದ್ಯಾಪೀಠವನ್ನು ನೋಡಿದೆನು. ಇವೆಲ್ಲವುಗಳನ್ನು ನೋಡುವದರಿಂದ ನನ್ನ ಮನಸ್ಸಿನ ಮೇಲೆ ಒಳ್ಳೇ ಪರಿಣಾಮವಾಯಿತು. ಹಿಂದುಸ್ಥಾನೀ ಸೇವಾದಲದ ವತಿಯಿಂದ ಶಿಕ್ಷಣ ಹೊಂದಿದ ೭ ವರ್ಷದ ಮತ್ತು ಅದಕ್ಕೆ ಮೇಲ್ಪಟ್ಟ ಹುಡುಗರು ಶಿಸ್ತಿನ ಮೂರ್ತಿಗಳೇ ಆಗಿದ್ದಂತೆ ಕಂಡರು ಮತ್ತು ಅವರು ಸೇವಾದಲಕ್ಕೆ ನಿಜವಾಗಿಯೂ ಕೀರ್ತಿಯನ್ನು ತರುವಂಥವರಾಗಿದ್ದಾರೆ ! ಇಂತಹ ಶಿಬಿರಗಳನ್ನು ಇಡೀ ದೇಶದಲ್ಲೆಲ್ಲ ತೆಗೆದರೆ ಶಿಸ್ತಿನ ಮತ್ತು ಸುಶಿಕ್ಷಿತ ತರುಣರನ್ನು ಲಕ್ಷೋಪಲಕ್ಷವಾಗಿ ಕಾಣಬಹುದೆಂಬ ನನ್ನ ವಿಚಾರವನ್ನು ವ್ಯಕ್ತಪಡಿಸದೆ ಇರಲು ನನ್ನಿಂದಾಗಲಿಲ್ಲ

ಸೇವಾದಲವು ರಾಷ್ಟ್ರೀಯ ಸಭೆಯ (ಕಾಂಗ್ರೆಸ) ಕಾರ್ಯದಲ್ಲಿ ವಿಶೇಷತಃ ಸಭಾಸದರನ್ನು ಕೂಡಿಸುವದರಲ್ಲಿ ಅತಿಶಯವಾಗಿ ಸಹಾಯ ಮಾಡಿದೆ. ಇಡೀ ಹಿಂದುಸ್ಥಾನದೊಳಗಿನ ತರುಣರಿಗೆ ಶಾರೀರಿಕ ಮತ್ತು ರಾಷ್ಟ್ರೀಯ ಶಿಕ್ಷಣವನ್ನು ಕೊಡಲು ಸೌಕರ್ಯವನ್ನುಂಟು ಮಾಡುವದಕ್ಕಾಗಿ ಸೇವಾದಲವು ಬಾಗಲಕೋಟೆಯಲ್ಲಿ ಒಂದು ವ್ಯಾಯಾಮ ವಿದ್ಯಾಪೀಠವನ್ನು ಸ್ಥಾಪಿಸುವದಿದೆ. ವಿದ್ಯಾಪೀಠದ ಪ್ರಾರಂಭೋತ್ಸವವು ಇಲಿನೇ ಇಸವಿಯ ಆಗಸ್ಟ ೧೫ನೇ ತಾರೀಖಿನ ದಿವಸ ನಡೆಯುವದೆಂದು ಸೇವಾದಲದ ಕಾರ್ಯದರ್ಶಿಗಳು ನನಗೆ ಹೇಳಿದರು. ಈ ಉತ್ಸವದ ಕಾಲಕ್ಕೆ ಸೇವಾದಲದ ಶಿಕ್ಷಣವನ್ನು ಹೊಂದಿದ ೫೦೦ ಜನರ ಸಮ್ಮೇಲನವಾಗುವದೆಂದೂ ಹೇಳಿದರು.

ಸೇವಾದಲವು ದೇಶದ ಬೇರೆ ಬೇರೆ ಭಾಗಗಳಲ್ಲಿ ಶಿಕ್ಷಣದ ಕೇಂದ್ರಗಳನ್ನು ಸ್ಥಾಪಿಸಿ ಅಲ್ಲಿ ಹಲ ಕೆಲವು ತರುಣರಿಗೆ ಶಿಕ್ಷಣ ಕೊಡಬಹುದು. ಮತ್ತು ಕೇವಲ ಅಷ್ಟಂತಲೇ ಬೇರೆ ಪ್ರಾಂತಗಳಲ್ಲಿ ಶಿಕ್ಷಣಕಾರ್ಯವನ್ನು ನಡೆಯಿಸಬೇಕಾಗುವದು. ಈ ಕಾರ್ಯವನ್ನು ಪ್ರಾಂತಿಕ ಸಭೆಗಳು ಕೈಯಲ್ಲಿ ತೆಗೆದುಕೊಂಡರೆ ಪ್ರಾಂತಿಕ ಸ್ವಯಂಸೇವಕ ಮುಂತಾದ್ದಾವಾ ಅಥವಾ ಸೇವಾದಲದ ಮುಖ್ಯ ಕಚೇರಿ ದ್ವಾರಾ ಬೇಕಾದಷ್ಟು ಜನರು ಶಿಕ್ಷಣ ಹೊಂದುವರು.

ಆದ್ದರಿಂದ ಎಲ್ಲ ಕಾಂಗ್ರೆಸ ಕಮಿಟಿಗಳು ಸೇವಾದಲದ ಕಾರ್ಯದ ಲಾಭವನ್ನು ಪಡೆದು ಪ್ರತಿಯೊಂದು ಪ್ರಾಂತದಲ್ಲಿಯೂ ಶಿಸ್ತುಕಲಿತ ಮತ್ತು ಸುಶಿಕ್ಷಿತ ಸ್ವಯಂಸೇವಕರ ಗುಂಪುಗನ್ನು ನಿರ್ಮಿಸುವರೆಂದು ನಾನು ನಂಬುತ್ತೇನೆ

Dr. [illegible]

I have no objection to the resolutions being passed. But I do not know how you have arrived at any solution of the problem. The matter lays in the Dalkheri. That is the gist of the whole problem. If you are to be subjected to censorship I do not think the game is worth playing, as the times ahead are not smooth ones. I have brought it to your notice & to Mr. Jathar's notice also. I do not wish that there should arise at any time

difficulty in the Dalberia.

Resolved that the K.P.V.B. appoints Messrs. N.S.Shivaram and V.S.Sardiker to draw up the necessary agreement and sign the same on behalf of the Dal and take such steps as are necessary for the execution and furtherance of the said object.

HINDUSTANI SEVA DAL
HUBLI

THE PROCEEDINGS OF THE MEETING OF THE WORKERS OF THE KARNATAK BRANCH OF THE H.S.DAL WHICH WAS HELD AT THE DAL OFFICE, HUBLI ON THE 6TH APRIL, ~~xxxx~~ 1929.

The Council of the K.P.C.C. at its meeting held at Gadag on 10.2.1929 accepted the proposals of messrs. Hoskoppa Krishnarao and N.S.Hardikar for enrolling one Lakh Congress members during the current year(which proposal was originally submitted to the Council meeting at Bagalk-- on 27.1.1929when there was no quorum) passed a resolution to the following effect :-

1) That the Karnatak Dal should conduct the one Lakh membership campaign,

2) That 25 % of the membership fees should be given to the Karnatak Dal etc.

Then the K.P.C.C. which met at the same place and on the same day after the meeting of the Council, passed a resolution to the effect that the Dal should accordingly conduct the one Lakh membership ~~xxxxxx~~ campaign. But the meeting of the General body of the K.P.C.C. held at Dharwar on the 31st April,1929 revoked the resolution of its own ~~xxxxx~~ Council regarding the one Lakh membership campaign and called upon the D.C.C's to enrol Congress members and reorganise Congress committees in their Districts before the 1st of June in co-operation with the Karnatak Dal and if this work shall have been neglected by them the Karnatak Dal should take up the work from May 1,1929.

On close observation it will be found that the resolution is incoherent in as much as the latter part of it implies that the Dal will have no hand in the enrolment work till the 1st of May although the former part of it desires the co-operation of the Dal. The Secretary of the ~~xxxxx~~ K.P.C.C. who happens to be a member of the K.P.C.C. attended the meeting and followed the discussions closely and found that several members of the K.P.C.C. were not in favour of allowing the Dal much scope in the enrolment work, because they were not willing to give the Dal 25 % of the membership fees apportioned by the Council for enrolment work; though this amount would barely suffice for the travelling expenses of the Dal workers who have to go from place to place to enrol Congress members.

Hindustani Seva Dal
(Karnatak Branch)
HUBLI.

So by the above resolution of the A.I.C.C. the K.P.C.C's resolve to enrol one lakh congress members during the year becomes automatically annulled and the Karnatak Dal has before it no immediate special programme connected with the Congress till the 1st of May. The said resolution of the ~~XXXXXXX~~ A.I.C.C. is also vague in that it does not lay down who is to decide whether the work is carried out till the 1st of May by the Congress Committees, while the Dal is authorised to begin work on May 1, with the above provisos. From what little experience we have of some of the Congress Committees in the Province we are led to believe that even after the 1st of May it is very uncertain as to whether the Dal will be called upon to work the membership enrolments in the Districts.

In order to consider the situation that has arisen from the foregoing developments and view of the fact that much of the work of the Dal proper remains yet to be done, an emergent meeting of the ~~XXXX~~ workers and organisers ~~XX~~ of Karnatak Dal was held at the Hubli office at 9-30 A.M. on 6th April, 1949

The following workers and organisers were present at the meeting:- (1) [illegible]kare (2) A.V.Iyer (3) [illegible]arguari (4) [illegible]algi (5) [illegible] (6) V.M.Mulkarni (7) [illegible]harma (8) S.V.Gurli (9) [illegible] Goliker (10) A.M.Kundapur (11) [illegible]Venkataramayya

After a discussion of full five hours the following resolutions were passed :-

THE PROCEEDINGS OF THE MEETING OF THE WORKERS OF THE KARNATAK BRANCH OF THE H.S.DAL WHICH WAS HELD AT THE DAL OFFICE,HUBLI ON 6TH APRIL 1929

The Council of the K.P.C.C. at its meeting held at Gadag on 10.2.1929 accepted the proposals of Messrs. Hoskoppa Krishnarao and N.S.Hardikar for enrolling one lakh of Congress members during the current year(which proposal was originally submitted to the Council meeting at Nagalkot on 27.1.1929,when there was no quorum) passed a resolution to the following effect:-

(1) That the Karnatak Dal should conduct the one lakh membership Campaign,

(2) That 25% of the membership fees should be given to the Karnatak Dal etc.

Then the K.P.C.C. which met at the same place and on the same day after the meeting of the Council passed a resolution to the effect that the Dal should accordingly conduct the one lakh membership Campaign. But the meeting of the General Body of the K.P.C.C. held at Dharwar on 31st April,1929 revoked the resolution of its own Council regarding the one lakh membership Campaign and called upon the D.C.Cs to enroll Congress members and Recognised Congress Committees in their Districts before the 1st of June,in co-operation with the Karnatak Dal and if this work shall have been neglected by them the Karnatak Dal should take up the work from May 1,1929.

On close observation it will be found that this resolution is incoherent in as much as the latter part of it implies that the Dal will have no hand in the enrolment work till the 1st of May although the former part of it desires the co-operation of the Dal. The Secretary of the K.P.V.B. who happens to be a member of the K.P.C.C. attended the meeting and followed the discussions closely and found that several members of the K.P.C.C. were not in favour of allowing the Dal much scope in the enrolment work,because they were not willing to give the Dal 25 % of the membership fees apportioned by the Council.for enrolment work, though this amount would barely suffice for the travelling expences of the Dal workers who have to go from place to place to enrol Congress members.

Karnatak Provincial Volunteer Board

OF THE

HINDUSTANI SEVA DAL,

Ref. No -2- Date

So by the above resolution of the K.P.C.C. the K.P.V.B's resolve of enrolling one lakh members during the year becomes automatically annulled and the Karnatak Dal has before it no immediate special programme connected with the Congress till the 1st of May. The said resolution of the K.P.C.C. is also vague in that it does not lay down who is to decide wether the work is properly carried out till the 1st of May by the Congress Committees, while the Dal is authorised to begin work from May 1st with the above provisos. From what little expirience we have of some of the Congress Committees in the Province we are led to believe that even after the 1st of May, it is very uncertain as to wether the Dal will be called upon to work the membership enrolment in the districts.

In order to consider the situation that has arisen from the foregoing developments and in view of the fact that much of the work of the Dal proper remains yet to be done, an emergent meeting of workers and organisers of Karnatak Dal was held at the Hubli office at 9-30 P.M. on the 6th April, 1929.

The following workers and organisers were present at the meeting;-1) B. G. Gokhale 2) A. S. R. Iyer 3) R. V. Kaujudri 4) N. R. Malgi 5) S. P. Limaye 6) V. . . Patwardhan 7) M. K. S. Sharma 8) B. V. Hurli 9) R. S. Golikere 10) A. . Gundadpur 11) K. A. Venkataramayya.

After a discussion of full five hours the following resolutions were passed:-

1) The Resolution of the General Body of the A.I.C.C. on membership campaign passed on 31.3.1929 was read, and considered; the meeting while loyally adhering to this resolution of the A.I.C.C. offers to co-operate with the Congress Organisations in the membership enrolment campaign whenever it is possible for them to do so provided the Congress Committees request them and the K.P.V.B. permits.

Resolved further that official negotiations with the Company in that connection be proceeded on in the meanwhile.

1. Making permanent arrangements regarding the running of the Academy of Physical Culture at Bagalkot.

   Note:- this question has been broached to the members many times before this. The Board has not yet taken any action. I feel that it is dangerous for us to wait any longer. 2. Making necessary arrangements for the 1st anniversary of the Dal's Academy at Bagalkot.

3. Outlining a definite programme of action during the current year in view of the present political situation in the country.

4. Consideration of raising funds for the furtherance of Dal's objects in the Province.

5. Other subjects permitted by the President.

On the 8th of June the Tumkur training camp (Anjaneya Shibir) is to be closed. Mr. S. Shrinivas Iyengar will preside over the closing ceremony. The meeting of the Board is so arranged that the members may be able to inspect the camp and its working and then attend the closing function.

I appeal to all members to be present at Tumkur before the evening of the 7th (Friday).

Speech of Mr. V. Nimbkar at the 61st birthday function of Dr. N. S. Hardiker which was held in Bombay under the Presidentship of the Bombay Pradesh Congress Committee in May 1930

—— I ——

Dr. Hardiker and Friends,

If I am standing up today to say a few w... feel, I have earned that right only by being one of these young men who worked along with Dr. Hardiker in the United States, in the early part of this century. In those days that band of young men who had proceeded to the States, for education did pioneering work in that country in the cause of India's freedom and all of us owe it to the inspiration and guidance we got from Dr. Hardiker for whatever little we did.

It is thirty years ago this month that I was one of the band of Indian students who had assembled at the pier in New York to bid good-bye to the man who had after having finished his work in America, was leaving that country to serve the Motherland.

We were full of hopes than, as we are now, in his ability to deliver the goods and in his capacity to complete a job once undertaken. He has been my inspiration as undoubtedly of many other Indian students who went to America, in those days, not to see the lights of Times Square or to do "Window shopping", but to grap the opportunity which were nedied them at Home. America therefore attracted only such students who had a mission in life, a burning desire to accomplish something, and an empty pocket. Was not, after all, America a land of opportunities and of freedom?

Almost every one of us went to Dr. Hardiker for advice, help and guidance. He made almost every one of us feel that, that was just the purpose for which he was

there. He did not give you any introductions, he had no jobs to offer, he himself was short of money, but after a few minutes talk with him, he did make you feel that confidence in yourself which helped you to make a success of your life. In short, he gave you that courage which a General gives to his soldiers to fight his battles succes fully. This is the capacity in him which makes him the born SENAPATI of the youth.

ven in those days, Senapati Hardiker did not doubt fo one minute the outcome of our struggle for Independence. To hi the Independence of India was a foregone conclusion. He sincerely believed that Independence was our birth right and we would get it. He, however, was very much concerned with the maintenance of that Independence and therefore laid great stress in imbibing amongst our youth the SPIRIT OF DISCI.IN, mental and physical the SPIRIT OF SERVICE AND THE SPIRIT OF SELF- ACRIFICE.

Like all practical men enapati Hardiker believes in beginnin at the beginning. He full realised that these qualit es which are the sup ortin pillars of our Independence have got to be bred in our youth. After all they are the future leaders of our country and the permanence of our Independence depends upon the buildin of xx that character.

Once this chain of thought is accepted xx and the princirle underlying it is digest d, it will be very easily realised why Senapati Hardiker spent the xxxx last twentyfive years of his life in startin, organising and building the Hindustani Seva Dal. To my mind this was a National Organisation. It was not belong to any party. It was not restricted to any community. It was not limited to any religious faith. It belonged to the youth of the

Nation who would be the leaders of this Nation. Only then would Independence of this nation be prepetuated. It is a pity that k this national organisation, on the score, that it has served its usefulness should now be scrapped or pensioned off to die a natural death. How can you build the youth of a country to be nationalistic. How can you prevent them from taking sides ling before their minds and bodies are properly developed. How can you get them out of the habit of allowing themselves to be branded with the various ISMS, because of small immediate gains. How can you deny them the opportunities of building up a national character. How can you get them into the habit of thinking of themselves as Indians or Hindustanees or Bharatees, If organisations like the SEVA DAL are allowed to languish.

Some of us who felt that the SEVA DAL, which was started for the purpose of training of our youth, would, on the achievemen of Independence of the country be used for the further k development of the mind and body of young men of India for safeguarding the hard earned freedom. It is therefore surprisin for us to see that our leaders are eagerly suppo rting t e startin of the kaxiax fax National Stadium for the promotion of sports, which are not all nationa in character. It is much more surprising for us to see the rapid expansion of the police force in different parts of the country x even after the exist of the foreign bureaucrats. Why do we want a redohbled police force now, when a volunteer organisation could help maintain law and order with half that strength? Could not the youth of the country be marshalled together to build such characters among the people of this country which would lead to the reduction of the police force instead of the present increase? It is a pity that we can spend crores of rupees on the expansion of the

police force and yet cannot find enough funds for the preservation and development of national organisation like the SEVA DAL, which would have done both the functions of training the young men and women of India, on the right lines and maintain the internal security of the country at one fourth the cost.

Should one be blamed if he is forced to conclude, though with reluctance that now that our leaders have in got intom power, as representative of the common man, they wish to remain in power with the support of Yes men and the police force? Was it not expected by us when the volunteer organisation was started in the twenties that it would train up young men in the country wit. that national character which would do away with the neces ity of increas the police force of the country, Could we not even today train up young men and youn women, more or less on lines chalked by the Hindustani eva Dal, so that they, in their turn would when the time came, defend the country with greater strength of character and less er eeling of being more mercenaries? All is not lost yet and we can still build t at spirit of national character and solidarity if only the right approach is made to youth of the country. Who else can achieve that object better than Senapati Hardiker who has proved beyond doubt by his past fortyfive years work that he has knack of attracting the youth around him and of creating in them a confidence which many a leader has failed to achieve?

To my simple mind I feel that as Bapuji up the path of Independence, Senapati Hardiker has shown us the path of building up the character of our youth and thus perpetuating that Independence. X May God give him long life.

JAI HIND.

PREAMBLE

Since this library has been created in 1956, I have not paid much attention to its organisation. Books are collected and kept most of these are donated by friends. Only a few are purchased. Beyond entering their names and the names of authors or publi--shers in a General Register I have not been able to move my finger to arrange them in a systematic and scientific manner. I know it is wrong. Therefore the longing of getting books and thrusting them in library cup-boards will have to be curbed for some time at least until the ones we have are properly arranged and listed. We have today a fairly good collec--tion of more than 7,000 books. If I want to read a particular book on a particular subject by even a known author it goes very hard for me to get it from the shelves. I have to search and search for it as they are not. This shows that I have utterly neglected this wo from the very beginning and not cared to take use of the availab knowledge in arranging them in a proper manner. Personally, I a ashamed of it. I ought to have attended to it immediately, ~~that~~ Unfortunately that was not done. A good trained and conscientious worker could have been employed to arrange them methodically. But at that time I did not like to do it as it meant money; an additional expenditure for the institute. That we could not afford. Then in that case we ought to have got this work done at the hands of available talents in our staff. For some or other reason I failed to get that done. Now, I feel I must do it ~~get this done~~ and take work from some of the members of our staff who have some aptitude for this work and who know how to handle books for adding to their knowledge. This way I mean to arrange all books as scientifically as we can and number them according to language and subjects. All books will have to be sorted out according to subjects and languages and then entered seperately in seperate Registers and numbered. There should be a General Register and a subjectwise language Register.

It is my [redacted] on to allot seperate places to books on the Make Lokamanya Tilak, Mahatma Gandhi

Pandit Jawaharlal Nehru, Lala Lajpat Rai and other stalwarts. If necessity arises the same arrangements can be made of books on Makers of other Countries also.

Personal

My dear Hardikar,

I am happy to see in this morning's papers that the decoration of Padma Bhushan has been awarded to you by the President on the occasion of Republic Day. Allow me to send you my hearty felicitations on the occasion and my very best wishes that you may live long to enjoy it. When as a rule in our country we drop our work when faced with the apathy of our own people, you have nobly and steadfastly stuck to your work for the Hindustani Seva Dal. All honour to you for it. I am glad that your services have been officially recognized today though we, your friends and colleagues, have recognized the same throughout these decades.

Since I am writing to you, I should also like to acknowledge three of your letters dated respectively July 4, November 17 and November 27 that have been lying in my file unattended to all this time. You will please excuse. No discourtesy was or could be meant. I have scarcely kept good health, and I am feeling a very tired man due to my own personal sorrows and anxieties even more than to my past failing health. It is always a pleasure to hear from you and to meet you. I am thankful to you for your kind remembrances.

Your letter of July 4 is in reply to mine of June 29. That is how it remained over, and was not attended to yet. Still I feel I should have written to you earlier In that letter you expressed yourself rather pessimistically, and made unhappy references to the "world of "hypocrites" as also to communalism and provincialism. I know exactly what you mean, and feel as sad as you are over the situation. We must, however, my dear Hardikar, take the world as it is, and make the best out of the circumstances in which we are placed. We have to be generous and forgiving. It takes all sorts to make this world, and so we come across all sorts of people. If we do our own duty well, we should be satisfied. I thank you for your kindly references to myself in the course of your letter. It is good of you to have done so, and I am grateful.

In your kind letters of November 17 and 27, you repeat your generous invitation to me to visit the Health Institute at Ghataprabha. I am thankful to you for the same, and repeat my assurance to you that I would surely come there when I am visiting Kolhapur. It is kind of you to have sounded the President on the subject already. He has always been very good to me, and I am glad that he has told you that he will have no objection to my going there.

Yes, I did go to Madras towards the end of November They gave me a very warm welcome indeed. It was exceeding kind and generous of them to have done so. I felt overwhelmed. I have visited Banaras three times since then. My father's health causes me grave anxiety, and that is why I am going there as often as I can. I only hope nothi will happen when I am not present. I hope this finds you

and all friends and colleagues as well as members of the family well and happy.

With repeated felicitations and good wishes,

I am,
With kind regards,
Yours affectionately,

Sri Prakasa

My dear Sri Prakasaji,

Excuse me for not writing to you for such a long time. A number of times I thought of writing to you, but knowing fully well that you were busy running about to your own home town and that you were not keeping well, I did not dare to write to you. However, I hope you are well now and are in a position to accept my invitation to go to Ghataprabha some time before the end of this year. I invite you not only to pay a visit to the Karnatak Health Institute which runs a hospital and a sanatorium, but also to stay there for 3 or 4 days and take some rest there.

I have come here to attend the Rajya Sabha session and will continue to stay for some time more. I shall be grateful to you if you will kindly write to me a line to this address.

Personal

August 26, 1958.

My dear Hardikar,

I thank you for your kind letter of August 24. I am glad to hear from you, and it is good of you to remember me and write to me. Your letter recalls old days, and I am always happy to keep in touch with old friends and colleagues.

The last time I wrote to you, was when I saw an announcement saying that you were given a decoration by the President. I never heard from you in reply. I do not know whether you received the letter. Later I saw in the papers that you had declined the honour. I do not know how that happened, for usually they take the consent of the prospective recipient before they actually publish the name. There seems to have been some confusion in your case, for if you had positively refused the award, they should not have published the name.

I say this because it was all right in the case of a foreign Government. When however the Government is our own, we naturally do not like to put it in any embarrassing position which is bound to arise when a citizen whom they are wanting to honour, declines to receive the decoration. My own case was very difficult. From British times, I have been struggling hard against all honours. In fact, I succeeded in getting an Article inserted in the Constitution to the effect that the Swaraj Government would give no titles.

The Government however say that these are not titles but awards and decorations which are not barred. Both the Prime Minister and the Home Minister pressed me very strongly to accept a decoration. I struggled very hard against it saying that as I was always against titles and distinctions of this sort, they should not embarrass me by giving me one. They would not listen. The President also came into the picture, and I had

to surrender.

My views are the same as yours, and particularly so because I know that you fully deserved a distinction while I have done nothing to deserve it. Still, I had to agree to get it. Worse than getting it, is my having to hang the medal at formal functions. Anyway, we shall leave things there. So far as I can see, you should not have declined it. That however is my opinion, and I know I cannot influence you one way or the other.

I thank you for repeating your kind invitation to me to visit Ghataprabha when I am coming that way. I have made a note of it, and I shall let you know in good time. I am glad you are attending the Rajya Sabha session in Delhi. I do hope all is well with you.

With kind regards and all good wishes,

I am,
Yours sincerely,

My dear Sri Prakasaji,

Yours dated the 26th. Thanks. Let me give you the whole story of the award that has been conferred on me.

I will never be untrue to any one, much less to my own bosom friends. Mr. D.P. Karmarkar is one of them. It is true he asked me whether I would accept an award particularly the 'Padmavibhushana' if the same was given to me by the Government. My reply was: "I deserved it not and after all what is there in such awards". I took it that he had asked me casually, and I had replied to him in the same manner. A few days later, again another friend, Mr. S.V. Krishnamoorthy Rao, referred to it. I said the same thing to him also in return. That was all the talk that we had.

Three or four months later, when I was at Ghataprabha, all of a sudden I got a telegram from the Secretary to the President congratulating me on the 'Padmabhushana" award that was conferred on me by the President. I had not expected it and therefore I was surprised.

My reaction to the telegram that I had received from the Secretary to the President was that I did not deserve it and I should not have it. Thereafter I received a number of telegrams and letters from friends and well-wishers. But, as my reaction was as I have said above, I did not reply to any one. I had decided in my mind that I should go to Delhi, see the President and then show my disinclination in accepting it.

However, it so happened that en route Delhi to attend the last session of Rajya Sabha, I stayed in Bombay for a day. The Bombay Pradesh Congress Committee and its Seva Dal wanted to honour me for having received the award. When they approached me I told them that if the party was meant to honour me for the award I would not attend it, as I had decided to return the award. They promised me that they would not open the subject at the meeting and that I should attend it. So I went. Unfortunately for me, the very first speaker referred to the award and congratulated me, though he said that I had decided to return the award. I had no other go, but to open my heart and tell the audience that I was not enamoured of the award and I was going to see the President and return the same. All that appeared in the papers.

When I reached Delhi I sought an interview with the President. I did have an interview with him. He advised me not to refuse the award, but to accept it. He said that it would be construed as an insult to the President and the Nation. He added, "I know you do not mean any insult to any one. No one will misunderstand you.

P.T.O.

But in the interest of the Nation it is better that you accept the award". I said, "I have no say in the matter. I will bow my head to your decision". So there it is. I have accepted the award.

Now it seems that both of us sailed in the same boat. I am glad you have written to me everything in detail. I too have lovingly given you all the details about the offer of award and its non-acceptance and acceptance.

You have not written anything about your health. How are you? Please let me know. When I come to Bombay next I will see you and we shall then fix the dates for your sojourn to Ghataprabha.

My dear Hardikar,

I thank you for your very kind letter of August 30. I am actually in Banaras where I arrived this morning owing to the very precarious condition of the health of my father and mother. If all is well, I should be back at Poona on the 13th, and at Bombay, on the 18th. I was very touched at the story that you have given of your Padma Bhushan. I think you have acted in the perfectly correct manner in which you should have done, and I congratulate you on the same. We cannot say "no" to our President, however much we may struggle against any others. I am grateful to you for having told me all the details.

I am thankful to you for your kind enquiries about my health. I am quite all right. I have just crossed 68 and have entered the 69th year, and am very well for that age - certainly very much better than hundreds of thousands of my fellow countrymen. I hope you are also keeping well, and have good news from your home.

I have told my Secretary to arrange a visit to Ghataprabha when I am going to Kolhapur. I might be going there in the near future. I shall certainly let you know in good time.

Thanking you for your kind thought, and wishing you all well,

My dear Sri Prakasaji,

Yours dated 4th from Varanasi. Thanks.

On the 29th of October, 1958, the Investiture ceremony will be held at the Rashtrapati Bhavan for the presentation of awards that were announced on the 26th January of this year. The letter giving this news says that on the 28th we will have to go to the Rashtrapati Bhavan for a rehearsal. I do not know what that means! Did you join the rehearsal party? I wonder how you felt at that time! It must have been a very sensational thing, isn't it? Yes! I suppose I will have to take that experience also and then give a full description of it to the future recipients of such awards. And Sri Prakasaji, when the award adorns my neck, how would I look? Will my dignity and personality enhance? Will all the sacrifices and sufferings of the past be seen on it?

I too have entered the 69th on May 7, 1958. Who is elder, yourself or myself? In so far as our generation is concerned, no one, I believe, has any complaint to make about his own life, or about the results that one has achieved during his life-time. I do not believe in the least that those who belong to our generation and are now living are in any way sorry for the activities they have carried on and are now carrying on. Most of them are more than satisfied with what they have done, in their own humble way for their Motherland and are now content with what they are doing. Compared to thousands of others, as you say, we are indeed faring well.

I hope your parents are better, and you have no cause to worry. I am glad you have told your Secretary to include Ghataprabha on your programme. After the adjournment of Parliament, en route Ghataprabha, I will halt at Bombay and see you. Then we talk again about your visit to Ghataprabha.

Until the 30th of this month I am in New Delhi.

घटप्रभा में राष्ट्रपतिजी का भाषण

नवम्बर ६, १९५१

मुख्य मंत्री श्री जत्ती, श्री दातार, श्री करमरकर, डा० खाडीकर, डा० वैद्य, देवियो और सज्जनो,

मुझे इस बात की बड़ी खुशी है कि आज सवेरे ही मैं आपके इस स्थान पर पहुंच सका और जो कुछ काम आप कर रहे हैं उसका थोड़ा बहुत निरीक्षण कर सका।

भारतवर्ष अभी तक गांवों का ही देश है, जिसमें ७०-७५ प्रतिशत जनता गांवों में ही बसती है और थोड़े ही लोग बड़े बड़े शहरों में रहते हैं। इसलिये कोई काम देश उत्थान का तब तक सफल नहीं कहा जा सकता जब तक हम गांवों को अच्छी तरह से उन्नत करने के लिये प्रयत्नशील न हों। इसलिये जो काम यहां हो रहा है उसको मैं बहुत महत्व देता हूं। आप जानते हैं, देहातों में बीमारी, कमजोरी और गरीबी भी है और इन सब को दूर करना हमारा कर्तव्य है। वहां अशिक्षा भी है जिसकी वजह से अनेक प्रकार की कुरीतियां फैलती हैं। इसलिये जब डा० मोक्टूर ने शहरों की बजाय किसी एक छोटे गांव में जाकर चिकित्सा के काम को आरम्भ करने का निश्चय किया। यह उनका बहुत ही शुभ विचार था। जिस संस्था की उन्होंने नींव डाली वह आज बढ़कर एक बड़ी इमारत के रूप में यहां खड़ी हो गई है और उसकी बुनियाद इतनी मजबूत बनी है कि उस पर और भी दिनोंदिन बढ़ती हुई इमारतें बनती जायेंगी। इसलिये जब से मैं यहां आया हूं यहां के विभिन्न विभागों को देखता रहा हूं और सब के सम्बन्ध में थोड़ा बहुत सुनता रहा हूं। यह एक बहुत ही शुभ लक्षण है कि आपकी इस संस्था को चलाने के लिये अनेक त्यागी और योग्य कार्यकर्ता मिल गये हैं।

जिस काम के लिये अच्छे त्यागी काम करने वाले मिल जाते हैं, उस काम के लिये द्रव्य भी जुट जाता है और जैसा आपने अभी इस मानपत्र में कहा है मामूली साधारण लोगों के दान ही से बहुत करके यह संस्था बनी है और जैसा मुझ से कहा गया कि जो छोटे छोटे मकान अलग अलग बने हुए हैं वे किसी न किसी के दान का फल हैं। ऐसे त्यागी कार्यकर्ताओं का ऐसे स्थान पर आ जाना और साथ ही लोगों के बीच इस प्रकार का उत्साह उत्पन्न हो जाना जिसके फलस्वरूप काफी मात्रा में दान मिले यह एक बहुत ही अच्छी घटना है।

हम जानते हैं कि आजकल की चिकित्सा पद्धति बहुत ही श्रमसाध्य और बहुत ही व्ययसाध्य होती जा रही है। पहले जमाने में हमारे देश के अन्दर गांव गांव में कोई एक वैद्य हुआ करता था और उसी वैद्य की चिकित्सा से लोग चाहे मरते थे, चाहे जीते थे मगर सब को कुछ न कुछ सहायता अवश्य ही मिल जाती थी। अब एक ऐसी परिस्थिति आ गई है जब उस प्रकार के वैद्यों के प्रति जितनी श्रद्धा पहले हुआ करती थी वह कम होती जा रही है और उसके स्थान पर लोग आधुनिक तरीके से चिकित्सालय, अस्पताल खोलने लगे हैं। हम अभी तक बड़े बड़े शहरों में भी आधुनिक ढंग के चिकित्सालय स्थापित नहीं कर सके हैं, किन्तु इस दिशा में काम बराबर चल रहा है और शहर तो क्या गांवों में भी चिकित्सा के सभी साधन जुटाने की हमारी योजना है।

जो लोग विदेशों से कुछ सम्पर्क रखते हैं या विदेशों का कुछ ज्ञान रखते हैं वे यह कहते हैं कि हमारे देश में अभी इस प्रकार के योग्य प्रमाणित चिकित्सकों की संख्या बहुत ही कम है और यहां की बढ़ती आबादी या जन समूह के मुकाबले में चिकित्सकों और अस्पतालों की संख्या तो और देशों के हिसाब से बहुत ही कम है। इस तरह की व्यवस्था करने में हमें के लिये अभी बहुत समय लगेगा और खर्च भी काफी होगा। फिर भी हमारी पंचवर्षीय योजनाओं में उन के लिये यथा साध्य व्यवस्था की जा रही है।

मेरा विचार है, और मैं समझता हूं कि इसी विचार से और लोग भी सहमत होंगे कि जब तक गांवों तक चिकित्सा को न पंहुचा दिया जायेगा तब तक हमारा काम पूरा नहीं होगा।

आपकी संस्था एक उदाहरण स्वरूप है और अन्य जगहों में जितनी संख्या में हो सके ऐसी संस्थायें कायम की जायें तो देश का उससे लाभ होगा इस संस्था में दो तीन बातें ऐसी हैं जो बहुत महत्व रखती हैं। पहली बात तो यह है कि यह संस्था शहर से दूर एक गांव में स्थापित की गई है, जहां का जलवायु स्वयं चिकित्सा का काम कर सता है और मैंने सुना भी है कि इसी वजह से यहां की चिकित्सा बहुत फल देती है। दूसरी बात जो यहां की विशेषता है वह है केवल एक ही स्थान पर बैठकर सब रोगियों को देखना और चिकित्सा करना काफी नहीं समझा गया है बल्कि यहां से अच्छे अच्छे चिकित्सक दूर दूर गांवों में, करीब करीब २०, २५ मील तक की दूरी तक जाते हैं और वहां के रोगियों को देखकर जो काम वहां हो सकता है, जिनकी चिकित्सा वहां ही की जा सकती है उसकी व्यवस्था कर दी

जाती है और जिनकी चिकित्सा वहां गांव में नहीं हो सकती या जिसके लिये विशेष यन्त्र या विशेष औषधि की जरूरत पड़ती है उन्हें यहां अस्पताल में लाकर उनकी व्यवस्था कर दी जाती है। इस तरीके से एक संस्था द्वारा ८ बहुत लोगों को सहायता मिलती है। ८ यदि इस प्रकार की संस्थायें सारे देश में ३०।३०, २५।२५ मील की दूरी पर कायम हो जायें और एक अस्पताल रख कर जहां बड़े रोगों की चिकित्सा की जाय मामूली रोगों के लिये गांव गांव में वहां के चिकित्सक जाकर दवा दे दिया करें तो मैं समझता हूं स्वास्थ्य सुधार का काम बहुत अच्छा हो सकता है।

मैं बहुत सुनता हूं कि गवर्नमेन्ट की तरफ से इस बात पर जोर दिया जा रहा है कि जितने नये नये डाक्टर शिक्षा पाकर निकलें वे अधिकतर गांवों में जाकर चिकित्सा का काम करें। काम तो अच्छा है, पर इसमें कठिनाई भी है। क्योंकि डाक्टर जो पैसे चाहता है उसको गांव में उतने पैसे नहीं मिल सकते। यह बात अब साफ दिखाई देती है कि जो भी गांवों में कुछ सम्पन्न हो जाता है, अच्छा हो जाता है वह गांव छोड़कर शहर चला जाता है, और इस प्रकार गांवों से योग्यता और सम्पन्नता दोनों हटकर शहरों की तरफ चली जाती है डाक्टर आर गांव में जाय तो किस भरोसे से ? उसे किससे अच्छी फीस मिलेगी और वह किस प्रकार धनोपार्जन करसकेगा ? इसलिये इस प्रकार की संस्थायें देश के लिये लाभप्रद हैं और उन्हें सारे देश में कायम करना चाहिये।

इस संस्था की सब से बड़ी विशेषता इसे अच्छे और योग्य तथा त्यागी डाक्टरों की एक टोली का मिल जाना है और जो यहां गांव में रह कर गांव के लोगों की सेवा करना अपना कर्तव्य समझती है। डाक्टर वैद्य जैसा डाक्टर जिसने बहुत दिनों तक मुम्बई जैसे बड़े शहर में डाक्टरी का काम किया है वह यहां एक नेटट गांव में बस जाय और यहां के लोगों को उचित चिकित्सा पहुंचाना अपना कर्तव्य माने तो इससे बढ़कर और इस काम की सफलता का क्या दूसरा लक्षण हो सकता है ? पर मैं इस संस्था को केवल एक चिकित्सालय के रूप में ही नहीं देख रहा हूं बल्कि मैं समझता हूं कि यह एक शिक्षण संस्था का भी काम कर रहा है। छोटे छोटे बच्चों की कवायद् हमने अभी देखी। जो लोग यहां काम सीखने आये हैं और काम करते हैं उन सब की भी कवायद् देखी। इस संस्था की हवा चारों तरफ फैली है और लोगों में नियन्त्रण की भावना, शिक्षा और अनुशासन की भावना, देशप्रेम और

देशसेवा की भावना यह संस्था जागृत कर रही है। इसका प्रमाण इसी से मिलता है कि यहां के छोटे छोटे भवन मामली दान से बने हैं और यहां काम करने वाले अच्छे लोग शहरों को छोड़ कर गांवों में आगये हैं। दूसरा प्रमाण श्रीमती वध ने जो मुझे सूत की माला दी उससे मिलता है। यह माला एक के नहीं, बल्कि अनेकों बहनों द्वारा बनाई गई थी। जहां जहां दवा बांटी जा रही है, अक्षर बोध कराया जा रहा है, वहां साथ ही सूत भी बन रहा है। इस प्रकार की बहुमुखी योजनायें सभी जगहों पर कायम हों यही हमारी कामना है।

मुझे इस बात की बड़ी खुशी है कि मैंने जो वायदा डा० हार्डीकर से यहां आने का बहुत दिन हुए किया था उसको आज मैं पूरा कर सका। उनकी तपस्या सारी जिन्दगी भर चलती रही है और अब भी जारी है। उसी का यह फल है और मैं समझता हूं कि इस तरह के बहुत से फल और भी देखने में आयेंगे। इस संस्था ने गवर्नमेन्ट का भी ध्यान आकर्षित किया है और मुझे यह देखकर खुशी होती है कि मैसूर राज्य के मुख्य मन्त्री और भारत सरकार के स्वास्थ्य मन्त्री दोनों इस समय पर यहां उपस्थित हैं। इसको मैं एक शुभ लक्षण मानता हूं। जहां एक तरफ से साधारण लोगों की सहायता इस संस्था को मिल रही है दूसरी ओर से यदि गवर्नमेन्ट की भी सहायता मिले तो यह संस्था और भी प्रगति कर सकेगी।

मैंने जो कुछ देखा उससे मैं बहुत सन्तुष्ट हुआ और मैं आप सब का हृदय से धन्यवाद करता हूं।

FOREWOR

The Seva Dal was founded soon after the Congress the politics of mass action. The fight for freedom n men and women of courage and discipline, the more so the fight was non-violent. Dr. Hardiker created a fin volunteer force for our movement. My father, who felt passionately about discipline and orderliness, wholeheartedly responded to the Hindustan Seva Dal idea, and remained a staunch supporter of the organisation ever afterwards. Dr. Hardiker and he became friends and under their guidance the Seva Dal became an all-India corps for national service.

Freedom has been achieved, but the need for the Seva Dal is not over, for the battle against communalism and regionalism is still to be fought. In order to function successfully a democracy requires a greater degree of discipline than the demonstrative discipline of a regimented society. The Congress Seva Dal has an important role to play in strengthening those forces which lead to the greater cohesion and progress of the country and in combating tendencies w ich weaken us. Through the service rendered by the Seva Dal, the Congress organisation can keep in better touch with the people and better absorb the idealism and dynamism of youth.

I hope that the letters of Jawaharlal Nehru and Dr. Hardiker which are now being published, will constantly remind members of the Seva Dal of the original inspiration behind their organisation.

महाराष्ट्र प्रदेश काँग्रेस कमिटीच्या शिबिरांत
झालेला ठराव

हे वर्ष महात्मा गांधी शताब्दी वर्ष आहे. त्यामुळे जगांत व भारतांत सर्वत्र महात्मा गांधी जन्मशताब्दीचा मंगल सोहळा उत्साहाने साजरा करण्यांत येत आहे.

राष्ट्रीय आंदोलनाचे नेतृत्व करीत असतांनाहि गांधीजींनी अखिल मानव-कुलाच्या स्वातंत्र्यासाठीं व विकासासाठीं जे मौलिक विचार मांडले व युगप्रवर्तक कार्य केले त्यामुळेच सारे जग त्यांच्या स्मृतीला कृतज्ञतेने वंदन करीत आहे. भारताच्या स्वातंत्र्य-प्राप्तीसाठी काँग्रेस संघटनेमार्फत गांधीजींनी जो दैदीप्यमान व तेजस्वी लढा सतत ३० वर्षे चालू ठेवला त्यामुळेच भारताला आज विश्वांतील एक महत्वाचे राष्ट्र म्हणून मानाचे स्थान प्राप्त झाले आहे.

आर्थिक विषमता नष्ट करण्यासाठीं व सामाजिक समता प्रस्थापित करण्या-साठीं तसेच जातीयवाद, जमातवाद व विविध प्रकारचे जुलूम यांच्या निर्मूलनासाठी गांधीजीं-च्या प्रेरणेने जो लढा चालू झाला तो निष्ठेने पुढे चालविण्याची व त्यासाठी शिकस्तीचे प्रयत्न करण्याची आजहि नितांत गरज आहे. त्याचप्रमाणे देशाचे स्वातंत्र्य सार्वभौमत्व व एकता या ज्या मूलभूत तत्वासाठी ते जगले व त्यांनी हौतात्म्य स्वीकारले त्या तत्वांच्या रक्षणासाठीं आपण सदैव कटिबध्द असले पाहिजे.

महात्मा गांधींच्या जन्मशताब्दीच्या निमित्ताने विधायक कार्यक्रमाद्वारे लोकशक्ती जागृत करण्यासाठीं व गांधी जीवनाचा संदेश सर्वत्र पोचविण्याच्या दृष्टीने जे उपक्रम गांधी शताब्दी समितीतर्फे चालू आहेत त्यांचे ही सभा स्वागत करीत आहे. आणि या शताब्दी वर्षांतील गांधी जयंति ते कस्तुरबा पुण्यतिथि म्हणजे २ ऑक्टोबर १९६९ ते २२ फेब्रुवारी १९७० या कालखंडासाठी समितीतर्फे जे कार्यक्रम आखण्यांत आले आहेत, त्यांत काँग्रेस संघटनेतील सर्व कार्यकर्त्यांनी पहभागी व्हावे असे आवाहन ही सभा करीत आहे. विशेषत: गांधी जयंति सप्ताहांतील उपक्रमांच्या निमित्ताने कार्यकर्त्यांनी सभा, पदयात्रा व जागृती फेऱ्या इत्यादि कार्यक्रमाद्वारे गांधी जीवन संदेश गांवोगांव पोचविण्याची शिकस्त करावी.

याच कालखंडांत महात्माजींचे एक निकट सहकारी व स्वातंत्र्य आंदोलनातील एक धीर नेते सरहद्द गांधी यांचे भारतांत आगमन होत आहे ही गोष्ट अत्यंत स्वागतार्ह आहे. महाराष्ट्रांतील त्यांच्या दौऱ्यांत त्यांचे प्रचंड स्वागत होईल व हा दौरा यशस्वी होईल या दृष्टीने सर्व कार्यकर्त्यांनी शिकस्तीचे प्रयत्न करावे.

महाराष्ट्र प्रदेश काँग्रेस कमिटीच्या शिबिरांत मंजूर झालेला ठराव

सा-या महाराष्ट्रांतून एकत्र आलेल्या काँग्रेस कार्यकर्त्यांचा हा मेळावा दिल्ली येथे वर्किंग कमिटीने पास केलेल्या काँग्रेस ऐक्याच्या ठरावाला हार्दिक पाठिंबा देत आहे. या ठरावाने काँग्रेस विधटित होण्याचे संकट टाळले आहे आणि देशात राजकीय स्थैर्याची नवी आशा निर्माण झाली आहे.

या प्रजासत्ताक देशाच्या अध्यक्षीय निवडणूकीच्या वेळी काही चुका स्वाभाविकच घडल्याचे या ठरावामध्ये नमूद केले आहे. पण आता रोगाच्या लक्षणांची चिकित्सा करण्यापेक्षा रोगावर उपाययोजना करण्याची नितांत गरज असल्याचे ठरावामध्ये आवर्जून सांगण्यांत आले आहे व ते सर्वस्वी युक्त आहे.

कोणत्याहि राजकीय पक्षाकरिता शिस्तीने महत्व कमी लेखून चालणार नाही. पण शिस्तीचे बंधन परिणामकारक करायचे झाले तर ज्या ध्येयवादाने पक्ष प्रेरित झाला आहे व जो कार्यक्रम पक्षाने अंगीकृत केला आहे त्याबद्दल पक्क्या असले पाहिजे. आणि तो ध्येयवाद व कार्यक्रम या शिस्तीच्या संहितेनुसार साकार होईल अशी खबरदारी घेतली पाहिजे.

बँक राष्ट्रीयकरणाच्या उपक्रमाचे आणि तो उपक्रम पुढे ठेवण्यासाठी पंतप्रधानांनी दाखविलेल्या धैर्याचे हे शिबिर स्वागत करत आहे. या उपक्रमामुळे लोकांच्या उत्साहाला उधाण आले आहे. अखिल भारतीय काँग्रेस कमिटीच्या बंगलोर अधिवेशनांत आर्थिक धोरणावरील पंतप्रधानांनी जे टिपण मंजूर झाले त्याची व ठरावाची कार्यवाही करण्यासाठी पंतप्रधान जे कार्यक्रम हाती घेतील त्या कार्यक्रमांना आपला हार्दिक पाठिंबा राहिल अशी हा मेळावा खबरदारी देत आहे.

हा मेळावा समाजवादावरील आपला निर्विवाद निष्ठेचा पुनरुच्चार करीत आहे. समाजवादी उद्दिष्टांची क्रियाशिल अंमलबजावणी व्हावी म्हणून महाराष्ट्र प्रदेश काँग्रेस कमिटीने १९६१ साली सांगोपांग कार्यक्रम अखिल भारतीय काँग्रेस कमिटीस व जनतेस सादर केला होता. यांची हा मेळावा आठवण देऊ इच्छितो. हा कार्यक्रम म्हणजे समाजवादावरील आपल्या गाढ निष्ठेचे प्रतीक आहे. बँकांचे राष्ट्रीयकरण,अन्नधान्याच्या आणि अत्यावश्यक मालाच्या व्यापारांत सरकारने प्रत्यक्ष उतरावे, आयात-निर्यात व्यवस्थेचे राष्ट्रीयकरण व्हावे, उपयोगी वस्तूंच्या उत्पादनाचे क्षेत्र सहकारासाठी राखून ठेवावे, काम करण्याची तयारी असलेल्या सर्वांनी काम मिळावे इत्यादि गोष्टींचा त्यांत समावेश होता. या कार्यक्रमाच्या अंमलबजावणीतून महाराष्ट्र काँग्रेसला मोठे सामर्थ्य प्राप्त झाले आहे. त्यामुळे नुकत्याच झालेल्या वादळांत महाराष्ट्र काँग्रेसने आपल्या अभेद्य एकजूटीचा साक्षात्कार घडविला.

भुवनेश्वरच्या अधिवेशनांत काँग्रेसने नव्या आर्थिक धोरणाला भक्कम पाया घातला, त्यानंतर या धोरणातून पुष्कळ दहा कलमी कार्यक्रम आकाराला आला. या कार्यक्रमाच्या कार्यवाहीसंबंधी खूप गाजावाजा झाला पण प्रत्यक्षांत मात्र तेवढी कृती झाली नाही. आता बदललेल्या परिस्थितीत पंतप्रधानांनी आशेचे नवे वातावरण निर्माण केले आहे. अर्थरचनेचा आमचा कार्यक्रम नेटाने पुढे रेटण्याची ही संधी आहे असा आमचा विश्वास आहे. शहरी मालमत्तेवर कमाल मर्यादा घालण्यांत चुकीच दिरंगाई लागता कामा नये, संस्थानिकांच्या खाजगी तनख्याचा प्रश्न त्वरीत मिटविला पाहिजे. मक्तेदारी अड्ड्यांतील शिफारशी ताबडतोब अंमलांत आणल्या पाहिजेत. जमीन सुधारणा तत्वत: स्वीकारल्या असल्या तरी देशाच्या फार मोठ्या भागांत त्यांची अंमलबजावणी झालेली नाही. ती अंमलबजावणी झाली पाहिजे. शेती मालाला किफायतशीर भाव आणून देण्याचा जोरदार पुरस्कार केला पाहिजे. सार्वजनिक क्षेत्राच्या विस्ताराबद्दल फेर विचार करण्याची आवश्यकता नाही. उलट सार्वजनिक क्षेत्राच्या कक्षेत अधिकाधिक उद्योगधंदे आणण्यासाठी तडफेने पावले उचलली पाहिजेत. यासाठी या उद्दिष्टांशी प्रतिज्ञाबद्ध झालेल्या निष्ठावंत कार्यकर्त्यांचा संघ निर्माण केला पाहिजे. तो प्रशिक्षीत केला पाहिजे. सार्वजनिक क्षेत्रांनी मोठ्या उद्योगधंद्यासाठी दिलेला कर्जाचे रूपांतर भाग भांडवलामध्ये करण्याला प्राधान्य दिले पाहिजे. सर्व प्रक्रिया उद्योगधंदे हे उत्पादकांच्या व कामगारांच्या सहकारी संस्थांच्या क्षेत्रांत आले पाहिजेत. आणि लघु उद्योगांसाठी व सहकारासाठी उपयोगी मालाचे उत्पादन राखून ठेवले पाहिजे. आंतरराष्ट्रीय व्यवस्थापनाच्या कामांत कामगारांना सहभागी होता येईल यासाठी अधिकाधिक प्रयत्न झाले पाहिजेत. अंग मेहनत करण्याची तयारी असणाऱ्या प्रत्येक व्यक्तीला काम करण्याची शाश्वती दिली पाहिजे, सुशिक्षीत बेकारांना रोजगार पुरविण्याच्या कामाला अग्रक्रम दिला पाहिजे, सामाजिक व आर्थिक दृष्ट्या दुबळ्या लोकांच्या विशेषत: नवबुध्द, हरिजन व गिरीजन यांचे प्रश्न त्वरेने सोडविले पाहिजेत. खेड्यापाड्यांतील उपेक्षित बलुतेदार भूमिहिन शेतमजूर नि लहान शेतकरी यांचा आर्थिक विकास घडवून आणण्यासाठी खास यंत्रणा उभारली पाहिजे. या कार्यक्रमाची चोख अंमलबजावणी होण्यासाठी कारभार यंत्रणेतील दोष व वैगुण्य ताबडतोब शोधून टाकले पाहिजेत व टाळाटाळ करण्याची प्रवृत्ती नष्टून काढली पाहिजे. कारभार यंत्रणेत योग्य दृष्टीच्या माणसांची निवड व भरती झाली पाहिजे. त्यासाठी जरूर असल्यास घटना दुरुस्तीहि करावी.

गेल्या दोन महिन्यांत देश ज्या राजकीय परिस्थितीतून गेला, त्यामुळे सामान्य कार्यकर्त्यांच्या मनांमध्ये समाजवादी जाणीव आणखी खोलवर रुजली आहे, आणि ती उद्दीपित झाले आहेत. संघटनेचा पाया व्यापक व मजबूत करण्यासाठी आणि केवळ एकदोन राज्यांतच नव्हे तर अवघ्या देशांत काँग्रेसच्या समाजवादी ध्येयाला अनुरूप असे आर्थिक व राजकीय बदल घडवून आणण्यासाठी देशांतील या समाजवादी जाणिवेचा उपयोग करून घेतला पाहिजे. उज्वल भवितव्याचे आशास्थान म्हणून जनता काँग्रेसकडे नव्याने आकृष्ट होत आहे. काँग्रेस श्रेष्ठींनी व काँग्रेस कार्यकर्त्यांनी जनतेला निराश करू

नये. जनतेच्या आशा आकांक्षांची पूर्ती व्हावी म्हणून त्यांनी तत्परतेने व सक्षमपणे वृत्तीने कामास लागावे असे हे शिबिर काँग्रेस जनांना आवाहन करीत आहे.

या नव्या वातावरणांत काँग्रेसजन ज्या पध्दतीने वागतील त्यावरच या देशांतील लोकशाहीचे भवितव्य व स्थैर्य अवलंबून आहे अशी आमची [illegible]

14- प्रश्नः इसको कैसे रोका जाय?

उत्तर - नया मकान बनाना है तो पुराने मकान को कुछ हानि अवश्य पहुँचती है, और कभी-कभी तो उसे पूरी तौर पर तोड़ना भी पड़ता है। इसलिए, इससे डरने की बात नहीं होनी चाहिए। हमारी बुनियादी बातें ठीक तथा स्थाई होने पर अन्य बातें धीमे-धीरे फिर से जम सकती हैं। फिर भी, बुनियादी बातों को पक्का न पहुंचे इसलिए कुछ खयाल और सतर्कता तो रखनी ही पड़ेगी। अन्यथा, ऐसा न हो कि नया बनाने के लिए पुराना तोड़ डाला और नया भी बन नहीं पाया। इसके लिए निम्नांकित सतर्कता बरती जा सकती है:

1. सेवादल के नाम का दुरुपयोग : जो प्रवृत्ति या कार्य कोई व्यक्ति शुरू करना चाहता है उसको यह सलाह दी जाय कि वह उसे काम को पहले अपनी स्वयं की जिम्मेदारी या नाम पर ही चलाये। ठीक चलने के बाद सेवादल के नाम का प्रयोग कर सकता है।

सेवादल सम्बन्धी गलतफहमियों को दूर करने की पूरी कोशिश की जाय। लेकिन, इसके बावजूद कोई अपना ही अर्थ सेवादल पर लादने की कोशिश करता हो और जो विपरीत लगता हो, तो उसे वहीं रोका जाय। इससे जिले के प्राप्त समय को कार्यकर्ताओं को मिलना चाहिए, जिससे उनके प्रामाणिक प्रयत्नों को पर्याप्त अवसर मिलेगा।

2. निचले स्तर पर सेवादल संगठन, कार्य तथा कार्यपद्धति के बारे में अपनी-अपनी सुविधाओं और हितों की दृष्टि से अर्थ लगाया जा सकता है। इनमें से कुछ नई तथा अच्छी बात भी निकल सकती है। सेवादल के बारे में सही तथा पूरी जानकारी एवं प्रचार यह एक अच्छा उपाय है। आज भी यह स्थिति जगह-जगह चलती है। उसे रोकने की बजाय अच्छे तरीके तथा भावना को प्रोत्साहित करना अच्छा रहेगा। संगठन के पुनर्विचार या रचना के समय इन सबका योग्य समन्वय किया जा सकेगा।

3. इस तरह सभी बातें खुली छोड़ने पर एक प्रकार का 'जंगल' जरूर खड़ा हो सकता है। लेकिन, कुछ-न-कुछ हरियाली तो हो जायगी तथा उसमें से आवश्यक नहीं है ऐसे पेड़ हटाये जा सकेंगे। सेवादल की बुनियादी भावना, नया स्वरूप जहां तथा

जिस कार्यकर्ता में दिखाई दे उस कार्यकर्ता की ओर विशेष ध्यान देकर, उसको प्रोत्साहन देकर, तथा उन्हीं को महत्व देकर आगे बढ़ने का मौका दिया जाय।

इस तरह, इस कार्य का स्वरूप सबको मौका देना, सुयोग्य व्यक्ति को प्रोत्साहित करना तथा जहां आवश्यक हो वहां अयोग्य व्यक्ति को रोकना, अर्थात् तीन प्रकार का, रहेगा।

कुछ कुदरत

1959 मई में अमरगांव, नरसिंहपुर, के समस्त 200 गांव आग में भस्म; असम में विशालकाय पत्थर हटने तथा पुल टूटने में 3 लाख लोगों को नुकसान; वीरभूमि में मयंकर गर्मी व पानी की कमी;
मणिपुर के 10,000 मकान बाढ़ से क्षतिग्रस्त;
जुलाई के दौरान कश्मीर घाटी का दो-तिहाई हिस्सा जलमग्न; 102 व्यक्ति मृत्यु के शिकार; संचार-व्यवस्था अस्त-व्यस्त; 50 लाख रु० का बिजली केन्द्र, बावल साफ करने तथा पानी की मिलें, 10 करोड़ रु० के निजी जायदाद नष्ट; 1000 गांव प्रभावित; कछार में 1,51 करोड़ रु० के धान की फसल बर्बाद; चमोली में बाढ़ से 4 गांव जलमग्न; कच्छ की बाढ़ में 17 व्यक्ति, 500 पशु मरे; 30,000 एकड़ जमीन क्षतिग्रस्त, 6000 घरों को नुकसान व बर्बाद। (क्रमशः)

बाल - श्रमिक

बाल्यावस्था एक बच्चे के अंग-गुणों के विकास तथा ज्ञानलाभ की अवधि मानी जाती है। इसका आयु वर्ग 6-14 माना गया है। लेकिन इस उम्र के लड़के-लड़कियों का अर्थ-व्यवस्था में हिस्सा लेना अर्थोपकास तथा आर्थिक पिछड़ापन कहा जा सकता है। भारत में देश के कच्चे बच्चे खेतों और कारखानों, घरों और व्यापारिक दूकानों, आदि पर काम करते है।

1961 की जनगणनानुसार, आयु वर्ग 6-14 में 1810 लाख बालक थे। इनमें से 925 लाख पुरुष व 876 लाख स्त्रियां रहीं। और, जो श्रमिक थे उनकी संख्या 145 लाख (6.7 लाख लड़के व 38 लाख लड़कियां) बतायी गयी।

श्रमिक के रूप में बालक-बालिकाएं शिक्षा के संवैधानिक निदेश के बावजूद, एक राज्य की या राष्ट्रीय अर्थ-व्यवस्था के अन्दर रोज़गार के विभिन्न ग्रामीण तथा शहरी स्तर दर्शाते है। ग्रामीण क्षेत्र अपने मुख्यतया कृषि-रूप तथा अपेक्षाकृत घाटा शिक्षा के कारण बच्चों को शिक्षा से वंचित कर एक या दूसरे किस्म के रोजगार में लगने पर बाध्य करते है।

उत्तर प्रदेश, आंध्र, बिहार, महाराष्ट्र, और मध्य प्रदेश में ज्यादा बाल-श्रमिक हैं। हां, आंध्र तथा राजस्थान की घरतो पर कुल बाल-जनसंख्या के अनुपात में बाल-श्रमिक कुल आबादी के बाल-अनुपात के मुकाबले अधिक है। कुल बाल-श्रमिकों को देखते हुए मध्य प्रदेश, मैसूर एवं उत्कल का हिस्सा भी कुल जनसंख्या में उनके हिस्से की अपेक्षा ज्यादा है।

अगर आयु-वर्ग 10-14 वर्ष लिया जाय तो सबसे अधिक बच्चे राजस्थान में कार्य करते है। इसके बाद नम्बर आता है आंध्र प्रदेश व मध्य प्रदेश का। एकदम कम केरल तथा पं. बंगाल में मिलेंगे।

आम तौर पर, लड़कियों की अपेक्षा लड़के ही ज्यादा तादाद में श्रमिक होते है। कारण कि बच्चियों को घरेलू कामकाज दे दिया जाता है।

बाल-श्रमिकों में तीन चौथाई से अधिक प्राथमिक क्षेत्र अर्थात् खेती एवं पशुपालन में रोजगार पाते है। इस क्षेत्र में कुल बालक श्रमिकों के मुकाबले कुल बालिका श्रमिकों का अनुपात ज्यादा होता है। मध्य प्रदेश व महाराष्ट्र में तो वह क्रमशः 89 व 92 प्रतिशत तक पहुंचता है। जहां तक माध्यमिक क्षेत्र तथा सेवा क्षेत्र अर्थात् उद्योग का संबंध है, केरल का स्थान सबसे ऊंचा है जबकि अखिल भारतीय प्रतिशत उसका लगभग आधा होता है।

बाल श्रम सिर्फ भारत में ही प्रचलित नहीं। यह निम्नांकित तालिका से सुस्पष्ट हो जायेगा :

	बालक (%)	बालिका (%)
अफ्रीका	31·7	13·0
एशिया (जापान को छोड़कर)	31·5	21·2
लैटिन अमेरिका	19·4	4·3
यूरोप	7·1	4·5
उ० अमेरिका	2·3	0·9
टेम्परेट द० अमेरिका	11·8	3·9
आस्ट्रेलिया तथा न्यूजीलैण्ड	1·2	1·2

लेकिन इन आंकड़ों से यह भी पता चलता है अधिक विकसित देशों की अपेक्षा कम विकसित मुल्कों में ज्यादा बालक - बालिकाएं श्रमिक है। जैसे, निम्नांकित तालिका से विपरीत स्थिति मालूम पड़ेगी :

श्रीलंका	1953	2·2	6·1
चीन (ताइवान)	1956	5·7	13·2
साइप्रस	1960	2·4	4·0
इण्डोनेशिया	1961	3·1	4·7

हांगकांग	1961	1 · 4	3 · 6
ईरान	1956	5 · 3	12 · 1
ईराक	1957	1८ · 5	2८ · 5
मलयेशिया (संघ)	1957	2 · 1	4 · 6
नेपाल	1952-54	6 · ०	6 · 7
पाकिस्तान	1961	8 · 8	9 · 1
फिलिपीन	1961	5 · 1	6 · 1
सिंगापुर	1957	1 · 3	3 · ३
सीरिया	1961	4 · ३	17 · 8
थाई देश	1960	6 · 8	8 · ३
भारत	1960-61	6 · 7	३ · 7

अर्थात् इनमें भी सिंगापुर, मलयेशिया तथा हांगकांग जैसे अधिक विकसित देशों में बाल-श्रमिकों का अनुपात अपेक्षाकृत कम होता है।

विकासमान देश विकास रफ्तार लक्ष्य को हासिल करने में अधिक पीछे नहीं रहेंगे

संयुक्त राष्ट्र संघ द्वारा हाल ही में प्रकाशित 'विश्व आर्थिक सर्वेक्षण - 1968' के अनुसार, महासभा ने विकासमान देशों के लिए उनके आमदनी में जो 5% वृध्दि का लक्ष्य निर्धारित किया था उसे पूरा करने में वे बहुत पीछे नहीं रहेंगे। इसके अलावा, विकासमान व विकसित देशों में अगर विकास के सांख्य नीतियों को सही तरीके से अपनाया जाय, तो कोई कारण नहीं कि आने वाले वर्षों में वे अपनी विकासरफ्तार को और अच्छा न बना सकें। आज सामाजिक कार्यवाहियां स्वयं में विकास के लिए नीति का साधन भी है।

सर्वेक्षण में कहा गया है कि 1960 के प्रथम अर्ध्द में विकासमान देशों का उत्पादन उनकी बढ़ती हुई आबादी के साथ कदम नहीं रख पाया। अगर ये देश 1980 तक न्यूनतम 6 या 7 प्रतिशत की औसत विकास-रफ्तार को पहुंच सके, तब भी खाद्य पदार्थों की मांग में लगभग 4% की आशा की जा सकती है। उसके लिए जरूरी है कि औद्योगिक उत्पादन में भी 8 या 9% वृध्दि सम्पन्न की जाय। सन् 1960 से पहले के सात वर्षों में विकासमान देशों में औद्योगिक उत्पादन 6 · 5% प्रतिवर्ष ही बढ़ा था।

आबादी वृध्दि व रोजगार

इस सर्वेक्षण के अनुसार, आने वाले दशक में विकासमान देशों को रोजगार तलाश करने वाले युवकों की संख्या में भारीभरकम वृध्दि का सामना करना पड़ेगा। अर्थात्, वर्तमान बेरोजगारी व अल्प-रोजगारी की समस्या और अधिक विकट रूप धारण कर सकती है

अधिकांश विकासमान देशों में कृषि-क्षेत्र अधिक रोजगार की सम्भावनायें प्रदान कर सकता है। इसके अलावा, इस समय अनेक विकासमान देशों में जो परिवार नियोजन कार्यक्रम चल रहे हैं उन की सहायता से भविष्य में जन्म-दर भी उसी प्रकार नाटकीय ढंग से कम हो सकती है जैसी कि इस समय मृत्यु दर कम हो गयी है।

वित्तीय साधन

पर. 1980 तक विकासमान देशों द्वारा 6 या 7% वृद्धि-रफ्तार प्राप्त करने के लिए आवश्यक साधनों में कमी का सामना करना पड़ सकता है। अतः इसे घरेलू बचत का स्तर ऊंचा करके पूरा करना होगा अथवा विदेशी पूंजी का अधिक प्रवाह हासिल करना होगा अथवा दोनों ही तरीकों को अपनाना होगा। यह भी हो सकता है कि कुछेक देशों के पास अतिरिक्त विदेशी मुद्रा हो जाय। पर अधिकांश विकासमान देशों को विदेशी मुद्रा क्षेत्र में 1980 तक 25000 से 30000 लाख डालर तक की कमी का सामना करना पड़ सकता है।

हालांकि आर्थिक दृष्टि से विकसित देश मौजूदा विकास दशक के आरम्भ में इस बात पर सहमत हुए थे कि वे अपनी आयदनी का एक प्रतिशत अन्तर्राष्ट्रीय सहायता व पूंजी के भाग में लगायेंगे, परन्तु प्राप्ति निराशाजनक रही है।

बीमा व्यापार

सभी किस्म की सामान्य बीमा प्रवृत्तियों तथा भारतीय बीमा निगम के कार्यों से सन् '67 के दौरान सन् 64 में 69। करोड़ रु० के मुकाबले 5444 करोड़ रु० की प्रीमियम-आय हुई। बीमा करने वाली गैर-भारतीय कम्पनियों ने 13 · 51। करोड़ रु० की जगह 15 · 32 करोड़ रु० की प्राप्ति की। भारत से बाहर भारतीय बीमा कम्पनियों का कुल प्रीमियम संग्रह 27 · 30 करोड़ रु० के स्थान पर 31 · 32 करोड़ रु० था।

दिसम्बर '68 तक 129 पंजीकृत बीमा कम्पनियां थीं। उनमें 74 तो भारतीय रहीं। हां, कुल में से 45 भारतीय और 45 ही विदेशी कम्पनियां दोनों ही सामान्य बीमा कार्यों के लिए पंजीकृत हुईं, 6 भारतीय 3 गैर-भारतीय केवल दो किस्म के कार्यों के लिए और शेष 21 भारतीय व 9 गैर-भारतीय सिर्फ एक किस्म के वास्ते। भारतीय बीमा निगम इसमें शामिल नहीं है, जो जीवन, आग, पानी और विविध बीमा व्यापार के लिए रजिस्टर्ड हुआ था। कुल भारतीय बीमाकर्ता कम्पनियों में से 31 के मुख्य कार्यालय महाराष्ट्र स्थित है। और उन्होंने 74% की प्रीमियम-राशि हासिल की। भारत में गैर-भारतीय कम्पनियों द्वारा संग्रहीत लगभग 70% निवल शुल्क में से 43 बीमा करने वाली कम्पनियां बृटेन - पंजीकृत थीं।

LOCAL WORK: The 14th question concerns with the possible dangers regarding localisation., how to check them. Sometime, the whole building has got to be levelled down bfor building afresh. However, the basic things should be kept safe and intact. For this, the name of the Seva Dal shulld not be allowed to misuse in the first instance; false meaning should be discouraged; local workers with new ideas be enthused, etc.

CHILD LABOUR: Employment of child labour in an economy may be regarded as one of the indicators of under-development and economic backwardness, as this period is earmarked for the development of one's faculties and for acquiring knowledge. In India, quite a sizable number of children are employed both in the field and in the factories, in private houses and commercial establishments. In the 1961 Census, those in the age group 0-14 are considered to be children and that there were 180.1 million persons in this age-group; of which 92.5 million were males and 87.6 million females. Of the total number of persons in this age-group, 165.6 million were non-workers.

Taking all areas, urban and rural, in Andhra Pradesh and Rajasthan the proportio of workers is much greater than that of population. M.P., Mysore and Orissa also record a higher proportion of workers than that of population. The situation is balanced in J&K and Madras. Yet, the population of children in Madras is about 9 times that of J&K, and so is the case with respect to workers. The situation, if looked from urban angle, A.P., J&K, Mysore and Orissa forms worse. While Kerala records the lowest ratio in all areas, it is Gujarat that usurps the first place in urban areas. West Bengal holds second position in urban and rural areas taken together. The ratio of female workers is greater in AP, Gujarat, Kerala, MP, Madras, Maharashtra and Rajasthan, both in urban as well as rural areas.

In less developed regions of the world, particularly in Africa and Asia (excluding Japan) child participation rates are many times greater than in the more developed regions of Europe, N. America, Australia and New Zealand. Iraq accounts for highest proportion of male child labour in the total working force., Pakistan stands second and Thailand third. India ranks fourth In Iraq -- again female workers record the highest proportion However, in relatively more developed countries than Ceylon, Pakistan and India, viz., Hongkong, Malayasia and Singapore, the proportion of child labour is pretty

DEVELOPING NATIONS WILL NOT LAG BEHIND FAR According to 'UN World Economic Survey-1968, majority of the developing nations will reach the target of 5% increase in income decided by the UNO Also, if the developed and the developing areas adopt their development policies properly, there seems no reason why they will not better their performance. Today, even social acts form medium of development policy.

The Survey further reveals that in the first lap of 1960 the development could not empower population growth, If they maintain 6-7% increase, the demand for 4% foodstuff can be made. They will face dramatic enhancement in the force of employmed youths. However, the present family planning under campaigns will also certainly decrease population explosion as it affected increase in death-rate.

NET PREMIUM INCOME OF INSURANCE The net premium income in India in all classes of general insurance including the LIC increased to Rs.54.44 crores in 1967 from Rs. 46.91 crores in 1966. The non-Indian insurers collected Rs.32cr year before last as compared to Rs. 13.51cr('66). The total net premium income outside India of Indian insurers also increased. According to the Indian Insurance Book-1968, on December 1968 there were 129 insurers registered. Of these 72 were Indian and 57 non-Indian. 45 of the Indian and the similar number of the non-Indian insurers were registered for all the three classes of general insurance business, 6 Indian and 3 non-Indian insurers for only two of the three classes and the remaining 21 Indian and 9 non-Indian insurers for only one class. This excludes LIC, which was registered for life, fire, marine and miscellaneous insurances. Of the Indian insurers, 31 including LIC having their registered offices in Maharashtra accounted for about 74% of the total net premium income. About 70% of the net premium income in India of non-Indian insurers went to 43 insurers constituted in U.K.

प्रिय मित्र,

'स्थानीयकरण' पर हमारा आग्रह संगठन को मजबूत आधार प्रदान करेगा। लेकिन उसके साथ ही ऐसे बड़े कार्यक्रमों का भी आयोजन किया जाय जिसकी पकड़ विस्तार में हो और कांग्रेस तथा जनता समान रूप से प्रभावित हो। ऐसा कार्यक्रम का आयोजन प्रदेश स्तर पर ही किया जा सकता है या ज्यादह से ज्यादह जिला स्तर तक आयोजित किए जा सकते है उनसे कल्पनाशक्ति, विशाल दृष्टिकोण, नेतृत्व और क्षमता आदि तथा अन्य अनेक गुणों के साथ साथ विकसित हो सकेंगे।

मुझे उम्मीद है कि आप भी इसी तरह सोच रहे होंगे। क्या आप लिखने का कष्ट करेंगे कि आप इस वर्ष अपने प्रदेश में किस बड़े कार्यक्रम के आयोजन के बारे में सोच रहे है? यदि आपके सामने ऐसा कोई कार्यक्रम न हो तो मैं ऐसे किसी कार्यक्रम के बारे में सुझाव भेज दूंगा।

आपके द्वारा सम्पन्न किए जाने की कितनी सम्भावना है? इस सम्बन्ध में लिखने का कष्ट करें।

तत्काल पत्रोत्तर की प्रतीक्षा में,

आपका,

Dear friend,

Our insistence "Localisation" will naturally give a strong base to our organisation. But alone with it is also necessary to have bigger programmes having extensive appeal and impact on the Congress and the public. Such programmes will have to be organised at Pradesh Level or at the most districh level. They will keep developing imagination, broader out look, leadership and efficiency in our workers along with a number of other things.

I think you also might be thinking on these lines. May I know what type of big programme you propose to undertake for your pradesh during this year. If you have nothing in mind, I may suggest as one of such suitable programme which can be taken as at the Pradesh level.

Kindly let me know the possibilities of being it undertaken by you.

Expecting an immediate reply,

Yours sincerely,

Dear Friend,

You must be in the thick of the elections compaign. This is about the Congress Seva Dal organisation. Our Seva Dal office has already issued instructions as regards election work to the district and pradesh heads of Seva Dal. Some notes as regards propaganda work, arrangements of meetings etc. have also been sent to them.

As written in earlier circulars the Seva Dal should be given due importance and position on such occasions. The electionwork perhaps needs a vary large number of volunteers. Generally we recruit Seva Dal Associates to meet this demand. The pradesh and district units of Sev Dal have already been informed to take necessary steps to meet this demand of volunteers. I hope attempts are being made in that direction at your end also.

I request you to engange more whole time workers in Seva Dal and offer them vehicles-jeep, motor cycle, cycle etc- what ever is possible and needed for their swift movement. These vehicles will be useful to them even after the elections, in addition to the work they may be entrusted during the elections.

I hope you will do the needful in the matter.

Thanking you.

विषय :- अनुगामी कार्य (फालो अप वर्क)

प्रिय भाई,

४० वां वर्षी ज्योत आपके जिले व स्थान से गुजरी । आपने ज्योत व टुकड़ी का स्वागत करने के लिए हर सम्भव प्रयास से जीतोड़ काम किया व कार्यक्रम को सफल बनाया । आप और आपके वे साथी जिन्होंने इस कार्यक्रम को सफल बनाने में अथक परिश्रम किया है अभिनन्दन और धन्यवाद के पात्र हैं ।

लेकिन अब क्या ? शायद यह समस्या आपके सम्मुख उपस्थित है । ज्योत के कार्यक्रम ने सीमातीत उत्साह पैदा किया होगा । जनता का ध्यान भी सेवा दल की ओर गया होगा । यदि इस अवसर पर हमने सेवादल को मजबूत बनाने का प्रयास न किया तो यह वातावरण बेकार गया यह मानना होगा । मुझे उम्मीद है कि आप भी इस बारे में गम्भीरता पूर्वक सोचते होंगे ।

इस साल हमने जो ज्योत का कार्यक्रम हाथ में लिया उसके उद्देश्य निम्न थे

(१) जनता के सम्मुख सेवादल के मिशन और प्रवृत्तियों को प्रस्तुत करना ।

(२) देश की आजादी की रक्षा के लिए जनता में राष्ट्रीय अनुशासन तथा राष्ट्रीय एकता भावना का निर्माण करने के लिए बड़े पैमाने पर सुरक्षा रैलियों का आयोजन कर जोश पैदा करना ।

(३) कांग्रेस के हाथ मजबूत करना ।

दुर्भाग्य से जो भी कार्यक्रम हुए हैं वे हमारी मन्शा पूरी नहीं करते । जहां तहां कांग्रेस विचारधारा और सेवादल प्रवृत्तियों का प्रचार या प्रसार बहुत ही कम नजर आया। इन कमियों को सुधारा जाना चाहिए और उपरोक्त उद्देश्यों की पूर्ति के लिए प्रयास किया जाना चाहिए इसी को हम अनुगामी कार्य या फालो अप वर्क कहेंगे ।

आपके मार्गदर्शन के लिए कुछ सुझाव व हिदायतें निम्न हैं :-

(१) सेवादल में सहानुभूति रखने वाले समस्त व्यक्तियों को सेवादल के 'सहायक' के तौर पर भर्ती करिये । उनसे कहिए कि वे वर्दी पहनें व उन्हें सभी कार्यक्रमों में निमंत्रित करिए । स्थानीय तौर पर काम करने के लिए स्थानीय काम निकालिए ।

(२) जहां सम्भव हो प्रशिक्षण शिविर या वर्ग चलाइए, तथा सेवादल शाखा शुरू करिए । नये सहायकों के लिए राष्ट्रीय गीत व ध्वजवन्दन विधि के वर्ग काफी सहायक हो सकते हैं । साथ ही शिक्षण संस्थाओं और आवास गृहों में रहने वाले लड़के लड़कियों के लिए भी ये वर्ग प्रोत्साहक होंगे ।

(कृ० पृ० उ०)

(३) कांग्रेस व सेवादल कार्य के प्रचार व प्रसार के लिए एक प्रभावशाली मशिनरी तैयार करिए । सांस्कृतिक कार्यक्रम की टुकड़ियां, अध्ययन वर्ग, सेमिनार आदि इस दिशा में काफी सहायक हो सकते हैं ।

(४) स्वयंसेवकों की छोटी छोटी टुकड़ियां तैयार करिए और उन्हें उनकी पसन्द और सुविधा की छोटी छोटी योजनाएं पूर्ण करने के लिए कहिए । यदि इस प्रकार के घटक तैयार हो गए और अपना काम तत्परता से करते रहे तो संगठन अपने आप प्राणवान बन जायगा ।

(५) स्थानीय कांग्रेस कमेटी की हर प्रवृत्ति में सक्रिय रहिए और अपने अस्तित्व का आभास कांग्रेस जनों को महसूस हो जाये इस तरह गतिशील रहिए ।

मुझे उम्मीद है कि आप इस दिशा में प्रयत्नशील रहेंगे । आप आगे क्या करना चाहते हैं कैसे कदम उठाना चाहते हैं इसके बारे में लिखिये

आपका,

विषय :- अखिल भारतीय सेवादल ज्योति आणि जिल्हावार सुरक्षा मेळावे (रॅलीज).

प्रिय बंधू,

तुम्ही सर्वजण सेवादल ज्योति आणि रॅलीच्या दिशेने विचार करून निश्चित कार्यक्रम घेऊन कामास लागले असालच. सेवादलाचे हे वर्ष ४० वे आहे. या वर्षाचा उत्सव देशांत सर्वत्र संरक्षणाची फळी किंवा मोर्चा बळकट आणि भरभक्कम मजबूत करून फार मोठा उत्साह स्फूर्ति आणि स्वातंत्र्याचे संरक्षण करण्यासाठी लागेल ते मोल देण्याची भावना व वातावरण निर्माण करण्याच्या दृष्टीने साजरा केला जात आहे. व म्हणून सर्वत्र ज्योतिचा आणि मेळाव्याचे कार्यक्रम अत्यंत महत्त्वाचे प्रभाव निर्माण करू शकतील असे वाटते. ज्योति सा-या देशभर फिरणार आहे. ज्योतिला दिव्य प्रकाश साऱ्यांत एक दिव्य संदेश, दिव्य चैतन्य, अतुल त्याग, व धैर्य निर्माण करील असा आमचा आत्मविश्वास आहे. सेवादलाच्या जन्म संघटनेने स्वातंत्र्य प्राप्तीपाठी व त्यानंतर राष्ट्र निर्माणार्थ जी शक्ती आजवर पुरविली आहे, त्या शक्तीकिरण फिरणारी ही दिव्य ज्योति आहे.

मला आशा आहे महाराष्ट्रांतील सेवादल कार्यकर्ते आणि सैनिक या कार्यक्रमाचे महत्त्व लक्षांत घेऊन प्रचंड शक्तीचा एक संचार महाराष्ट्रांत निर्माण करतील.

सेवादल ज्योति ९ ऑगस्ट १९६३ रोजी दिल्लीहून निघणार आहे. प्रत्येक प्रदेशांतून एक याप्रमाणे २०-२५ सायकल स्वारांचे युनिट ही ज्योति घेऊन जाणार पंजाब, राजस्थान, मध्यप्रदेश, गुजराथ, या प्रदेशांतून दिलेल्या ठरावाप्रमाणे त्या त्या प्रदेशांतील ठरलेल्या रस्त्याप्रमाणे त्या त्या प्रदेशांतील ठिकाणाहून होते होत आपल्या महाराष्ट्र प्रदेशांत, ३ ऑक्टोबर रोजी ठाणे, जिल्ह्यातील वडा या गांवी गुजराथ प्रदेशांतून येईल.

महाराष्ट्र प्रदेशांतून ती खालील प्रमाणे ती म्हैसूर राज्यांत जाईल.

यानंतर ज्योति म्हैसुर राज्य, आन्ध्र प्रदेश. घेऊन पुन्हा महाराष्ट्राच्या पूर्व भागांतील चांदा, येथे येईल. त्याचा कार्यक्रम खालील प्रमाणे आहे.

यानंतर ज्योति मध्यप्रदेशांत प्रवेश करील. या ज्योतिचे १६ दिवस मुंबई धरून आणि मुंबई सोडून १४ दिवस महाराष्ट्राच्या वाटयाला आले आहेत.

निश्चित नाही सूचनात्मक कार्यक्रम

१) ज्योतिच्या रस्त्यावर येणाऱ्या प्रत्येक गांवी (जेथे मुक्काम नाही) ज्योतिचे स्वागताचा कार्यक्रम झाला पाहिजे. मात्र हा कार्यक्रम अर्धा तासापेक्षा जास्त नसावा. प्रत्येक जिल्ह्याच्या जेथून ज्योति जात आहे, ते भाग जिल्हा प्रमुखाने त्यांच्या जिल्ह्यांतील रस्त्यावरील गांवांची यादी करावी व प्रत्येक गांवी स्वागत कार्यक्रमाची योजना करावी. आपल्या सरहद्दी पासून प्रवेश करते वेळी ज्योतिची जबाबदारी घ्यावी, व सरहद्दीच्या बाहेर जाईपर्यन्त त्या जबाबदारीचे पालन करावे. (ज्या गांवी ज्योतिचे स्वागत होईल त्या गावांची यादी व अंतर लिहा)

२) ज्या जिल्ह्यांतून ज्योतिचा मार्ग नाही त्या त्या जिल्ह्याच्या प्रमुखाने ज्योतिचा मार्ग जिल्ह्याच्या जवळ पडत असलेल्या जिल्ह्याच्या मार्गावर आपल्या जिल्ह्यांतील सैनिकांना घेऊन ज्योत पेटवून ती आपल्या जिल्ह्यांत घेऊन जावी. जिल्ह्यांत फिरवून कार्यक्रम करावा. अर्थात हे सायकलने किंवा पायी करता येईल.

३) ज्या ज्या जिल्ह्याच्या प्रमुख ठिकाणी ज्योतिचा मुक्काम आहे, त्या त्या ठिकाणी ज्योतिचा कार्यक्रम भव्य व्हावयास पाहिजे. मिरवणूक, स्वागत, आदि जाहीर सभा आदि कार्यक्रम ठेवले जावेत. यांत सर्व संघटना, आखाडे मल्ल, तसेच जनता सामील होईल असा प्रयत्न करण्यांत यावा. काँग्रेस कार्यकर्ते व सेवादल सैनिक तर मोठया संख्येने पाहिजेत.

४) जिल्हावार सुरक्षा मेळावे (रॅली) - देशांत संरक्षणाचे दृष्टीने चैतन्य निर्माण करण्याचे दृष्टीने या रॅलीचे आयोजन आवश्यक आहे. एक प्रकारचा हा मेळा

हा मळा स्वप्नाचा कार्यक्रम पण २६।वा(त्यासोबत) या रॅली ज्याति ज्या जिल्ह्यां तून जात आहेत, त्यावेळी त्या जिल्ह्यांने आयोजित करण्यास हरकत नाही. ते ठीक पण होईल. मी साधारणपणे या ज्यातिचे वेळी पुणे, सांगली, चांदा, नागपूर या चार ठिकाणी रॅलीचे आयोजन करण्याचे मनांत आणले आहे. तसे अ.भा. कार्यालयास सूचित पण केले आहे. मला आशा आहे या चार ठिकाणी जिल्हा प्रमुख या दिशेने कामास लागतील. मी तशी पत्रे यापूर्वीच दिलेली आहेतच. या शिवाय इतर जिल्ह्यांनी जेथून ज्योति जात आहेत अशा जिल्ह्यांनी विचार केला ते रॅलीचे आयोजन या ज्योतिचे वेळीच त्यांनी करण्यास हरकत नाही. तसे त्यांनी ठरवून कळवावे. जसे - वर्धा, सातारा, मी असे सुचवू इच्छितो की वर दिलेल्या प्रमाणे ज्या ज्या जिल्ह्याच्या ठिकाणी ज्योतिच्या वेळी रॅली होतील तेथील रॅलित शेजारच्या जिल्ह्याचा प्रमुखाने आपल्या जिल्ह्यांतील सैनिकांना त्या रॅलित सामिल करावे. अर्थात तसे रॅलि करणा-या जिल्ह्याच्या प्रमुखांशी व्यवस्थेच्या दृष्टीने बोलणे करून ठरवून घ्यावे जिल्हा रॅली आयोजित करणा-या जिल्हा प्रमुखांना माझा असा आहे की त्यांनी आमचा लगतचा शेजारचा जिल्हा प्रमुखांना बोलावून घ्यावे व तसे ठरवावे. यामुळे सैनिकांची संख्या वाढविता येईल. व चांगला प्रभाव पडेल. मात्र प्रत्येक वेळी येथे कळवावे.

ज्योतिचा कार्यक्रम जेथे मुक्काम आहे त्या ठिकाणी ३ तासांपेक्षा जास्त होणार नाही याची काळजी प्रत्येकाने घ्यावी.

सेवालाभाठी फंड, देणगी, वर्गणी किंवा भेट म्हणून पैसा जमा करणे.

सेवादल ज्योति ज्या ज्या भागांतून जाईल, त्या त्या भागांतून निधि एकत्र करण्यांत यावा. असे अखिल भारतीय काँग्रेस कमिटीच्या शिबीर पंचमढी येथे ठरले आहे. ज्योतिला भेट म्हणून हा निधि, फंड, देणगी, किंवा वर्गणी म्हणून गोळा करता येईल. हा प्रत्येक जिल्ह्यांतील प्रमुखाने ठिकठिकाणी तो प्रयत्न करून एकत्र करावा. जेथे जेथे स्वागत होईल त्या त्या ठिकाणी अर्पण करावा. जेवढा निधि एकत्र होईल त्याचा अर्धा हिस्सा अर्थात निम्मी रक्कम त्या त्या भागांतील सेवादलाच्या स्थानिय कामासाठी त्याचवेळी दिली जाईल. अर्धी रक्कम अखिल भारतीय कार्यालयाकडे जाईल. त्या रक्कमेचा उपयोग मध्यवर्ति सेवादल विद्यालयाच्या कामासाठी केला जाणार आहे. मी आशा बाळगतो आणि आग्रहपूर्वक विनंती करतो की महाराष्ट्रांतील प्रत्येक ठिकाणी हा निधि एकत्र करून दिला जाईल.

काही तांतडीच्या आवश्यक सूचना

१). ज्योतिच्या सायकल युनिटमध्ये दिल्ली येथे जाणारा किंवा नंतर दुस-या ठिकाणी जातांना सामील होणारा सैनिक असल्यास त्यांचे नांव त्वरीत माहितीसह पाठवा. तो कमीत कमी एक महिना तरी देणारा असावा.

२) ज्योतिचा स्वागत कार्यक्रम तुमच्या जिल्ह्यातून जेथे जेथे करावा त्या ठिकाणची यादी व तेथील प्रमुखाचे नांव व दुरध्वनीचे नांव व पत्ता त्वरीत पाठवा. तुमच्या जिल्ह्यातून ज्योति जाईल त्याची जबाबदारी ज्याचेवर राहील त्यांचे नांव व दुरध्वनीचे नांव पत्ता त्वरीत पाठवा.

३) मार्गावरून जेथून जेथून इतर जिल्ह्याचे सैनिक ज्योति पेटवून घेऊन आलेल्या जिल्ह्यांत जातील त्यांना प्रवास प्रवृत्तीचे सर्टिफिकेट अखिल भारतीय कार्यालयाकडून नियमाप्रमाणे मिळेल अशी व्यवस्था अखिल भारतीय कार्यालयाने जाहीर केली आहे ज्योति नेणारे ट्रेसमध्ये असावेत.

४) सेवादलाचे ४० वे वर्ष व ज्योति असा एक बॅज तयार करण्याचा विचार आहे. आपण यासंबंधात काही सूचित करीत असल्यास सुचवा.

इतर संघटनात्मक सूचना

१) १९६१ सालांत तुमच्या जिल्ह्यांतून श्रमदान कार्य झाले असल्यास त्याची माहिती त्वरीत पाठवा.

२) डॉ. हर्डीकरांचे फोटोचा फिरोव ज्यांचे ज्यांचेकडे असेल त्यांनी त्वरीत संबंधितांकडे पाठवावा.

३) प्रत्येक जिल्हाधिका-याने आपआपले अहवाल (मासिक) प्रांतिक कार्यालय अखिल भारतीय कार्यालयाकडे नियमित पाठवावे. प्रत्येक जिल्हा प्रमुखाने जिल्ह्याचे अहवाल दोन्ही ठिकाणी पाठवावा.

४) मंडळ अधिका-यांचे एक शिबीर या वर्षी महाराष्ट्रांत लवकरच घेणे आहे त्याची तारीख, स्थल जाहीर केले जाईल. ज्या जिल्ह्यांत या शिबीराचे आयोजन आपला जिल्ह्यांत व्हावे अशी वाटत असेल त्यांनी येथे त्वरीत कळवावे.

५) उत्तर सरहद्दीवर जाऊ इच्छिणाऱ्यांची नांवे पाठवा. आणि इमरजन्सी युनिटची नांवे सर्व माहितीसह पाठवा.

६) श्री. सुरेश प्रधान यांची सेवादलाचा प्रदेश कार्यालयासाठी नियुक्ती केल्याचे आपणास कळविले आहे हे आपण जिल्ह्यांतील सर्व ठिकाणी विदित करा व महारादि संबंध कार्यालयाशी वाढवावा.

आशा आहे पत्रकाप्रमाणे त्वरीत कामास लागाल आणि संघटन कार्य गतिमान कराल.

CONGRESS SEVA DAL

Pujya Doctor Sahib,

I am in receipt of your post-card of 10th August, 1963. Thanks.

1. Father is at Delhi with me. He is alright. He is spending his time - chit chating with thefriends who come and sit with him in their leisure hours of the day, and criticise Congress and Congress Government. He teaches them the ideology of Congress and the good work it has done in a word he advocates the Congress cause which was ever dear to him.

2. Yet I am in out house of Members of Parliament in the same quarter, you were good enough to get allotted in my name. But now I will have to go to some other place because I need now some more space at least two rooms so now I am in search of the same.

3. We are (1) Shri S.V. Inamdar (2) Shri Govardhan Prasad (3) Shri S.N. Subba Rao (4) Shri Madanbhai (5) Shri RCL Pathak (6) Shri Dinesh Narayan Bajpeyee (7) Shri Navinbhai Shah (8) Shri K.S. Narayan (9) Shri Rameshwar Prasad-nine in all in the all India Office of Congress Seva Dal. This year number is increased by one.

4. In all there are 15 persons working on behalf of the all India Office in various Pradeshes. The following is the list with the pay they get and Province in which they are working:

1.	Shri Anandiram Kumath,	Maharashtra	Rs. 175/-

4.	Shri P.K. Raghwan	Cannanore, Kerala	Rs. 90/-
5.	Shri Shriram Khurjahe	Rajasthan	Rs. 165/-
6.	Shri Nitya Gopal Saha	Agartala, Assam	Rs. 85/-

14.	Shri Mathan Kartha	Ernakulam	Rs. 30/-
15.	Shri Kashing Kairang	Imphoma, Assam	Rs. 75/-

5. On 9th of August, 1963 at Sapru House 40th Year Flame was lighted by Congress President, D. Sanjivayya. Function was organised on the lawns of Sapru House. Pandit Jawaharlal Nehru graced the occasion by his presence. As soon as Panditji arrived at the lawns Subba Rao saluted him and stiched Seva Dal badge on his Jacket. Panditji enquired whether Dr. Hardiker has come. Subba Rao replied in negative. Panditji stood silent for a few minutes and then walked towards dias. In the meanwhile SubbaRao requested him to inspect the Volunteers' standing information. Both were to reach-ne ring the Volunteers; Subba Rao told to Panditji that these are volunteers from Delhi. Panditji asked twice that whether they were from Delhi. After Panditji's return from the volunteers, Congress President arrived and function began with Vandematram in chorus. Then the Flame Party marched up to the dais and D. Sanjivayya, Congress President lit the Flame. Flame Party went back to its former place and song party

sung 'Nav Samaji Ki Nai Disha Me Jin Ne Kadam Badhaye Hain.' Of course Subba Rao was also singing with the Party. The song party consisted of children of 7, Jantar Mantar Kendra. Next item was introductory speech by Shri Inamdarji. He said, "Our function has begun earlier of the scheduled time. This is not the way of Seva Dal. I too feel it. But some functions begin late. Let us begin it earlier. This is 40th Year of Seva Dal. Year before last we had all India rally. Thousands of Volunteers gather there. This year we have planned the Flame Programme as a decentralised All India Programme. The Flame Party will move 6,000 miles and reach Puri at the time of Congress Session. I feel pleasure to have amidst us Congress President, Morarjibhai, Shahji and Chandrikiji. Panditji, the first and the founder President of Seva Dal is also present amongst us. Volunteers carrying the flame will carry message of Congress and Seva Dal. Now I request Panditji to bless the occasion.

Amidst cheers Panditji said, "It was forty years ago when I and Dr.Hardiker and other youngmen consulted each other and started Seva Dal. In the days gone by Seva Dal has seen many ups and downs but I am glad Seva Dal is Dal is, its working is very good. Some people were of opinion that there is no need of Seva Dal after we have achieved Independence. But need was much more even after Independence.

Taking of a flame is a very good idea. Wherever the Flame Part goes they should take message of Congress and spread it to the thousands of people they meet. People forget early therefore it is very needful to remind them of the Congress ideology. This is Flame of Independence. Let Seva Dal be strong enough to keep it lighted."

Speaking after Panditji Congress President D. Sanjivayya said," I consider myself fortunate enoughto have lighted the 40th Year Flame of Seva Dal. I convey my thanks to Seva Dal friends who gave me an opportunity to speak at this occasion. We are really fortunate that the first President of Seval Dal, Pandit Nehru is here. The party played by Seva Dal youngmen and women in the struggle of freedom and afterwards is really of sacrifice unity and discipline. These young men will do this job in various villages they visit. I hope that they will succeed in their mission. There are one lakh of volunteers in Seva Dal. It is my earnest desire that the number of Seva Dal men and women should be increased three or four times of the present.

I know that Mr. Inamdar has got some ambitious schemes but due to lack of facilities they cannot be implemented at present we will try our best in future. I wish all success.

In the last 'Janaganda' was sung in chorus. After the national song, the Flame Party marched off for the tour of India.

Function was well organised. Number of AICC members attended the function. But number of volunteers was very small, for such on all India function. Two GOCs, one from Madhya Pradesh and the other from Uttar Pradesh and 13 volunteersfrom Meerut also attended this function.

Kundali is a village accross the border of Delhi State. The Flame Party crossed into border of Punjab at 10 A.M. on 10th August, 1963 an hour late by scheduled time. Shri R.S.C. Mittal, a Punjab Minister welcomed the Flame Party;in a brief Speech he praised the work taken up by Congress Seva Dal. Dr. Anup Singh, Ex-Member of Rajya Sabha and some fifteen villagers were present at the occasion. Shri Navinbhai Shah and Shri Vishwanath Shah were also present.

अखिल भारतीय काँग्रेस सेवादलाने चाळीसाव्या वर्धापन दिनानिमित्त संरक्षण मेळावे आणि अखंड ज्योति हे दोन महत्त्वाचे कार्यक्रम अंगिकारले आहेत. दि. १ ऑगस्टच्या क्रांतिदिनी सप्त हौद वर भारतभाग्यविधाते जवाहरलालजींच्या शुभाशिर्वादाखाली ही ज्योत भारतीय काँग्रेसचे अध्यक्ष, मा. डी. संजिवय्या यांनी प्रज्वलित केली. पं. जवाहरलालजींनी काँग्रेस सेवादलाचे काँग्रेसचे पोलादी तामर्थ्य अशी वर्णन केले आहे. आजच्या आणिबाणीच्या कालांत चित्तशुध्दित उत्साहाने काँग्रेस सेवादलाने कार्यरत होण्याचा विडाच उचलला आहे. संपूर्ण देशभर ही ज्योत कर्तव्यदक्षता आणि देश-संरक्षणासाठी अविरत कष्ट घेण्याची चैतन्यमय प्रेरणा निर्माण करील असा मला आत्मविश्वास वाटतो. देशसंरक्षणासाठी अंतर्गत आणि बाह्य आघाडीवर लढतांना काँग्रेस सेवादल निःसंशय महान कार्य करील. महाराष्ट्रांतील तरुण सेवादल सैनिक या कार्यात उत्साह आघाडीवर राहतील यांत शंका नाही. महाराष्ट्राची ती लढाऊ वृत्ति निःसंशय आहे. भारताचे संरक्षण मंत्री मा. यशवंतरावजी चव्हाण यांनी नागपूर येथे म्हटल्याप्रमाणे, काँग्रेस सेवादल भारतीय स्वातंत्र्य रक्षणाचे महान् प्रतिक आहे.

भारतांतील सर्व राज्याराज्यांत परिभ्रमण करुन ही ज्योत आसामांतील जगन्नाथपुरीच्या काँग्रेस अधिवेशनांत पोहोचणार आहे. पांच हजार मैलांहून जास्त परिभ्रमण करुन ही ज्योत प्रत्येकाला देश प्रीतीचा दिव्य संदेश देईल. दि. ३ ऑक्टोबर रोजी ही ज्योत महाराष्ट्रांत पदार्पण करील. ठाणे जिल्ह्यांतील भाडा, मुंबई, खोपोली पुणे, सातारा, कराड, सांगली, राजुरा, चांदा, वरोरा, वर्धा, आणि नागपूर या मार्गे ठिकाणी या ज्योतीचा मुक्काम होईल. महाराष्ट्रा या ज्योतिचे सर्वत्र प्रचंड उत्साहाने स्वागत करा असे आवाहन मी प्रत्येक काँग्रेस कार्यकर्त्यांस व काँग्रेस प्रेमी जनतेस करीत आहे.

कळावे.

आपला नम्र,

(विनायकराव पाटील)
अध्यक्ष.
